Principal's Message

Thank you for your patience and understanding! It has been an odd year with potential cut days and not knowing when the last day of school would fall. Now that we know June 9th is the last day for students we have made some schedule changes to our end of the year events. I apologize to those of you who have been adversely impacted by these schedule changes. We are doing the very best job we can with the information we have. So once again; thank you for your patience and I apologize for the inconvenience.

Please pay careful attention to the paperwork coming home for your child this summer. We have a particularly important form coming home from Food and Nutritional Services. They are asking that everyone fill out an application for free and reduced meals this spring and then again when you register in the fall. Even if you know you will not qualify for free and reduced meals it is important that you fill out the application. It is important to note that even if you do not qualify, you will not be required to pay for breakfast, lunch or dinner next year if you turn in a completed application.

Have a great summer vacation and thank you for another great school year. Please be safe while having mountains of fun, we look forward to seeing you in August!

~Dave Valenzuela

EDUCATION OF ALL DISABLED CHILDREN/YOUNG ADULTS

Public Law 105.17 known as I.D.E.A.

(Individualized Disability Education Act) requires that school districts provide a free and appropriate education to all disabled children/young adults ages 0 to 21.

Three Rivers School District requests the identification of any disabled children/young adults between the ages of 0 to 21, who are not enrolled or currently being served by the district schools.

If you know of any disabled children/young adults between the ages of 0 to 21 who are not receiving educational services, please call the Special Education Department of the Three Rivers School District. The phone number is 862-3111
