Investment Authority	The Superintendent or other person designated by Board resolu- tion shall serve as the investment officer of the District and shall in- vest District funds as directed by the Board and in accordance with the District's written investment policy and generally accepted ac- counting procedures. All investment transactions except invest- ment pool funds and mutual funds shall be settled on a delivery versus payment basis.		
Approved Investment Instruments	From those investments authorized by law and described further in CDA(LEGAL) under Authorized Investments, the Board shall per- mit investment of District funds, including bond proceeds and pledged revenue to the extent allowed by law, in only the following investment types, consistent with the strategies and maturities de- fined in this policy:		
	1.	Obligations of, or guaranteed by, governmental entities as permitted by Government Code 2256.009.	
	2.	Certificates of deposit and share certificates as permitted by Government Code 2256.010.	
	3.	Fully collateralized repurchase agreements permitted by Gov- ernment Code 2256.011.	
	4.	A securities lending program as permitted by Government Code 2256.0115.	
	5.	Banker's acceptances as permitted by Government Code 2256.012.	
	6.	Commercial paper as permitted by Government Code 2256.013.	
	7.	No-load mutual funds, except for bond proceeds, and no-load money market mutual funds, as permitted by Government Code 2256.014.	
	8.	A guaranteed investment contract as an investment vehicle for bond proceeds, provided it meets the criteria and eligibility requirements established by Government Code 2256.015.	
	9.	Public funds investment pools as permitted by Government Code 2256.016.	
Safety	The primary goal of the investment program is to ensure safety of principal, to maintain liquidity, and to maximize financial returns within current market conditions in accordance with this policy. In- vestments shall be made in a manner that ensures the preserva- tion of capital in the overall portfolio, and offsets during a 12-month period any market price losses resulting from interest-rate fluctua-

	tions by income received from the balance of the portfolio. No indi- vidual investment transaction shall be undertaken that jeopardizes the total capital position of the overall portfolio.
Investment Management	In accordance with Government Code 2256.005(b)(3), the quality and capability of investment management for District funds shall be in accordance with the standard of care, investment training, and other requirements set forth in Government Code Chapter 2256.
Liquidity and Maturity	Any internally created pool fund group of the District shall have a maximum dollar weighted maturity of 180 days. The maximum allowable stated maturity of any other individual investment owned by the District shall not exceed one year from the time of purchase. The Board may specifically authorize a longer maturity for a given investment, within legal limits.
	The District's investment portfolio shall have sufficient liquidity to meet anticipated cash flow requirements.
Diversity	The investment portfolio shall be diversified in terms of investment instruments, maturity scheduling, and financial institutions to re- duce risk of loss resulting from overconcentration of assets in a specific class of investments, specific maturity, or specific issuer.
Monitoring Market Prices	The investment officer shall monitor the investment portfolio and shall keep the Board informed of significant changes in the market value of the District's investment portfolio. Information sources may include financial/investment publications and electronic media, available software for tracking investments, depository banks, com- mercial or investment banks, financial advisers, and representa- tives/advisers of investment pools or money market funds. Monitor- ing shall be done at least quarterly, as required by law, and more often as economic conditions warrant by using appropriate reports, indices, or benchmarks for the type of investment.
Monitoring Rating Changes	In accordance with Government Code 2256.005(b), the investment officer shall develop a procedure to monitor changes in investment ratings and to liquidate investments that do not maintain satisfactory ratings.
Funds/Strategies	Investments of the following fund categories shall be consistent with this policy and in accordance with the applicable strategy de- fined below. All strategies described below for the investment of a particular fund should be based on an understanding of the suita- bility of an investment to the financial requirements of the District and consider preservation and safety of principal, liquidity, market- ability of an investment if the need arises to liquidate before ma- turity, diversification of the investment portfolio, and yield.

Operating Funds	Investment strategies for operating funds (including any commin- gled pools containing operating funds) shall have as their primary objectives preservation and safety of principal, investment liquidity, and maturity sufficient to meet anticipated cash flow requirements.
Custodial Funds	Investment strategies for custodial funds shall have as their pri- mary objectives preservation and safety of principal, investment li- quidity, and maturity sufficient to meet anticipated cash flow re- quirements.
Debt Service Funds	Investment strategies for debt service funds shall have as their pri- mary objective sufficient investment liquidity to timely meet debt service payment obligations in accordance with provisions in the bond documents. Maturities longer than one year are authorized provided legal limits are not exceeded.
Capital Project Funds	Investment strategies for capital project funds shall have as their primary objective sufficient investment liquidity to timely meet capi- tal project obligations. Maturities longer than one year are author- ized provided legal limits are not exceeded.
Safekeeping and Custody	The District shall retain clearly marked receipts providing proof of the District's ownership. The District may delegate, however, to an investment pool the authority to hold legal title as custodian of in- vestments purchased with District funds by the investment pool.
Sellers of Investments	Prior to handling investments on behalf of the District, a bro- ker/dealer or a qualified representative of a business organization must submit required written documents in accordance with law. [See Sellers of Investments, CDA(LEGAL)]
	Representatives of brokers/dealers shall be registered with the Texas State Securities Board and must have membership in the Securities Investor Protection Corporation (SIPC) and be in good standing with the Financial Industry Regulatory Authority (FINRA).
Soliciting Bids for CDs	In order to get the best return on its investments, the District may solicit bids for certificates of deposit in writing, by telephone, or electronically, or by a combination of these methods.
Interest Rate Risk	To reduce exposure to changes in interest rates that could ad- versely affect the value of investments, the District shall use final and weighted-average-maturity limits and diversification.
	The District shall monitor interest rate risk using weighted average maturity and specific identification.
Internal Controls	A system of internal controls shall be established and documented in writing and must include specific procedures designating who has authority to withdraw funds. Also, they shall be designed to
