Item Title: Approve the Addition of Alternative Local Graduation Requirements for Individuals Who Entered Grade 9 Before The 2011-12 School Year

Description:

An individual who entered grade 9 before the 2011-12 school year and meets the requirements of Education Code 28.02541(a) [see EIF(LEGAL)] may be awarded a high school diploma if the local graduation committee determines that the individual has demonstrated proficiency in the content areas related to the assessments on which the individual has not performed satisfactorily. These students have met all local graduation requirements except for passing the necessary TEAMS, TAAS or TAKS tests that were required at that time. These students, instead of having to take the STAAR test, will meet Individual Graduation Committee's alternative requirements.
