Lieutenant Reagan Scott
Beeville Police Department

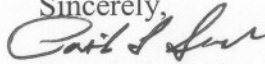

August 21, 2007

Dear Lieutenant Scott,

I would like to take this opportunity to again thank you for assisting with the A.C. Jones High School back to school teacher staff development. Your input and knowledge on campus security, gang awareness, and drug prevention added greatly to the success of the training. The teachers were very complementary of your presentation and appreciated having input from local law enforcement.

A.C. Jones High School and the Beeville Police Department continue to work as a solid team in our collaborative efforts to shape and mold the lives of our community's young adults. We really appreciate everything that you and your department have done to help make A.C. Jones High School a safer place for all our kids.

If I can ever be of any assistance to you please do not hesitate to call.

Sincerely,

Patrick L. Seals
Assistant Principal/CATE Director
A.C. Jones High School
