Winter 2024

ACADEMIC ACCOLADES / ELOGIOS ACADÉMICOS

MAP Math & Reading Scores

MAP (Measures of Academic Progress) is an adaptive online assessment that measures growth and achievement. Students take assessments in math, English reading, and Spanish reading (if applicable) three times a year. These benchmark assessments are aligned with the Illinois State Standards.

Academic Accolades are given to students three times a year based on their scores on the MAP assessments.

We are in the process of planning a special assembly to recognize these students for their academic achievements!
