SUBJECT: DISCUSSION OF AND REQUEST FOR APPROVAL OF MINERAL LEASE CONSIDERATION

DATE: October 15, 2024

ECISD has been contacted by a company who wishes to lease existing land for pumping for minerals. To consider such a request, the district must go through a series of activities as noted in policy CDB the Texas Education Code 11.153 (a-b), and the Natural Resources Code 71.005.

The first action to take is to review and approve a resolution allowing the district to advertise for a request for proposals from all interested companies.

Administrative Recommendation:

Approval of resolution to consider mineral leases.
