**Administrative Recommendation:**

That the Wichita Falls Independent School District Board of Trustees approve the Third Future Schools contract amendments as submitted by Dr. Cody Blair, Executive Director of Secondary Schools and as recommended by Dr. Donny Lee, Superintendent of Schools.

WFISD's 1882 Partnership Benefits Application for expansion to Southern Hills and Booker T Washington was approved by TEA on February 20, 2026, contingent upon a few minor adjustments. This amended contract approval is needed based on feedback from TEA regarding the expansion 1882 grant application and the expansion performance contract with Third Future Schools submission. Minor amendments recommended include the addition of the Third Future academic plan, the addition of the menu of services Third Future contracts back from WFISD, and edits to the schools years and district listed in the performance contract.
