SUBJECT: FY22 School Calendars **Memo No. SB21-147**
(Action Item)

NSBSD Strategic Plan Goal:

2.0 Community Engagement: Foster Collective responsibility, commitment and trust between the school and community.

2.3 SAC: Evolve the role of the School Advisory Council (SAC) as community leaders and advocates for children.

Recommendation:

Administration recommends the School Board adopt the School Year 21-22 school calendars as proposed by each site's School Advisory Council.

Issue Summary:

Each year the School Advisory Council (SAC) in each community follows the Board Policy and Administrative Regulation on calendar development and recommends a school calendar to the Board.

BP 6111 SCHOOL CALENDAR

The site administrator shall work with the School Advisory Council to prepare the calendar for each site. The Superintendent or designee shall recommend to the School Board school calendars for each site that will meet the requirements of the law as well as the needs of each community, its students and the work year as negotiated with district personnel.

Each school site calendar shall show the beginning and ending school dates, legal and local holidays, orientation and teacher in-service days, number of teaching days, vacation periods and other pertinent dates. Each school site calendar shall include

- 191 days, designated as follows:
- 182 student/teacher days, including up to 9 in-service days
- 6 holidays: Labor Day; Inuit Day; Thanksgiving - 2 days; Christmas Day; New Year's Day
- 3 workdays

Background:

Calendar process revised September 2010 is as follows:

AR 6111(a) SCHOOL CALENDAR: The following procedure shall be used in developing the school site calendars. The Barrow site administrators shall cooperate in developing one Barrow calendar for all Barrow school sites.

- October - The site administrator begins working with the School Advisory Council (SAC) to develop a survey for use in assessing the community's desires for the next year's school calendar. The survey will address such issues as vacations, ending dates, standardized testing dates, cultural needs, holding school on borough holidays, and other options the SAC deems appropriate. The survey will consist of a cover letter, a survey response form and sample calendar options.
- November - SAC approves calendar options for survey.
- December - Calendar options distributed to the public.
- January/February - SAC and site administrator review survey results and the SAC makes the final decision on the school calendar at a public meeting.
- February - Signed calendar is sent to Superintendent at least two weeks prior to the March School Board meeting.

The School Advisory Councils' (SAC) recommendations for 2021-2022 calendars are included for approval and adoption.
