

Calendar Considerations for 2018-2019

The district's Site-Based Decision Making Committee met, as well as solicited input from their campuses in order to develop three calendars. The staff was polled for their preference and it was then narrowed to two. The poll results were: 286 participants; Calendar A -114, Calendar B -172.

The two calendars are basically the same except:

Calendar A: All 12 days of staff development are in August before the students begin.

Calendar B: There are 9 days in August for staff development, a staff development day in October, another in January, and one at the end of the year.

There is an extra day and a half at Christmas.

The last day for students is May 30th. May 31st would be a staff day and graduation.
