An updated spreadsheet on funding was sent to them as well. If the County is willing to contribute \$3,250, they will have all the necessary funds for the design service. Based on other community donors and individuals that may still donate, this amount could be reduced as well as the \$20,000 that was asked for from the Youth and Recreation Committee.

Administrator Hannah spoke with Alpena Public Schools Superintendent Dave Rabbideau and because of restrictions for school funding, they are unable to contribute funding in the pool design phase as it does not have a direct impact on the schools.
