Regular Called Board Meeting

Discussion and Possible Action #3

- 1) This item appears to call for a Tax Ratification Election. Recently, at a Board training event, I asked you who would be "running" the election. Your response was, Bexar County would be running the election. The draft agenda had an item for Board consideration and action which stated " approve the contract with Bexar Elections to hold the June 19, 2018 Tax Ratification". It was removed from the final agenda. Therefore, who will be running our TRE election? **Bexar County** Does it require Board action to approve the costs related with the conduct of an election? **No. The contract amount is under \$25,000 and the superintendent has the authority to sign off on the contract.** Is there an Election Order, to include elements usually found in an order, for the Board to approve? **Yes, an Election Order was added to BoardBook on 5/14/2018.** If there are supporting documents for this item please provide them.
