

COUGAR TAILS

Applegate School

February 2013

Principal's Message

Hello Applegate Families:

Our second trimester is underway and off to a fabulous start. This time of year is exciting as we begin to watch learning blossom. Conferences are being held on February 6th from 3-7 and February 7th from 7am-7pm. Notices for scheduling conferences were sent home, if you have any questions please do not hesitate to call the office. Please take this opportunity to visit with your child's teacher, review progress, goals and challenges. Our teachers and staff members are committed to working together toward your student's academic goals, toward ensuring our curriculum is relevant, and to enabling all of our students to be successful in a positive and safe environment.

School safety has always been a top priority for Three Rivers School District. In light of recent events this issue has come to the forefront of all of our minds. Policies and practices are being reviewed and refined. Thank You for entrusting us with your children every day. Rest assured that our staff is dedicated to ensuring your child's safety. I am so thankful for the warm, caring community our school resides in, and the support the school gets from you all.

Please do not hesitate to contact me with concerns or compliments. Working together anything is possible.

Sincerely,

Renee Hults
