AGENDA ITEM:

Consideration of Approval for the District President to Exercise a Contract Option with AECOM Technical Services, Inc. to Provide Program Management Support for Key Projects in Phases 3 and 4 of the 2017 Bond Program, Including the Welcome Center at the McKinney Campus and the Parking Garage at the Frisco Campus

DISCUSSION:

On April 25, 2017, the Board of Trustees authorized the District President to negotiate a contract with AECOM Technical Services, Inc. to be considered for approval by the Board of Trustees if the May 6, 2017, bond election was approved by the voters. The bond election was approved by the voters on May 6th with a 56.43% **YES** vote.

The contract segmented program management services to be performed by AECOM in 4 phases. Phases 1 and 2 are currently underway, and phases 3 and 4 are available to the College by exercising written extension notifications.

The proposal is to move forward with the extension of the contract with AECOM for program management services for portions of Phases 3 and 4, to include the Welcome Center at the McKinney Campus and the 162,000 square foot parking garage at the Frisco Campus.

The contract request for these services is not to exceed \$2,000,000.

**DISTRICT PRESIDENT'S
RECOMMENDATION:**

The District President recommends the Board of Trustees authorize the District President to execute a contract with AECOM Technical Services, Inc. for Bond Program Management Services for Phase 3 and 4 of the 2017 Bond Program, as outlined above.
