### School Board Meeting Agenda Item

Topic: Teacher Seniority List  
Contact(s):  
Presenter(s): Karsten Anderson, Superintendent

#### Nature of Action Requested by Board

Board action   
Board information or scheduled report

#### Background Information

Seniority lists are primarily used for making staffing decisions during budget reconciliation periods. District officials met with Education Minnesota this winter to review a draft copy of this year's teacher seniority list. Multiple changes in the original list were made after teachers provided feedback. The latest version is included as an attachment, but some changes may be recommended at the meeting because teachers have until Friday, February 12<sup>th</sup> to provide feedback.

#### Recommendation

I move to approve the teacher seniority list as presented.
