2008-2012 District Improvement Plan

Purpose of Report

The purpose of this report is to provide the Board with the 2008-2012 District Improvement Plan that has been developed, evaluated and revised annually by the Educational Improvement Council (EIC). The EIC members meet approximately twelve times through-out the school year reviewing and updating the District Improvement Plan. This plan helps to identify the District's educational goals, objectives, and major District-wide classroom instructional programs.

Objectives

- The District Improvement Plan represents the District's blueprint for improvement.
- Selected areas are targeted for improvement and operational plans are developed to guide the improvement process.
- Appendices have been added for summary evaluation.

Operational Impact

The District Improvement Plan enables the District to focus on specific targeted areas of student performance improvement for all student groups in order to attain state standards in respect to the academic excellence indicators.

Results

The Board and public will be made aware of the specific plans to improve student achievement and support Denton ISD Board goals.
