

RESOLUTION 2005-06-02
MORROW COUNTY SCHOOL DISTRICT

WHEREAS, the Morrow County School District supports promoting various forms of contextual teaching and learning, including Service Learning, as an instructional strategy to help students meet No Child Left Behind and new graduation requirements;

WHEREAS, this support is contingent upon the availability of financial support;

IT IS, THEREFORE, RESOLVED AS FOLLOWS:

The Morrow County School District supports various forms of contextual teaching and learning, including Service Learning, contingent upon the availability of financial support, as an instructional strategy to help students meet No Child Left Behind and new graduation standards.

Board Chairman
