

Fall 2020 [Back-to-School]

Survey for Parents / Guardians of Students in the Greenbush Middle River School District.

The safety of our students and staff is our top priority. The Minnesota Department of Education (MDE) in cooperation with the Minnesota Department of Health (MDH) has told school districts to prepare three (3) plans for the Fall (Back-to-School), depending on events related to the coronavirus pandemic. They may start the school year with kids back in classrooms, with infection control measures in place. They could return to distance learning, the way they finished the last school year. Or, there may be a hybrid using features of both.

In an attempt to gauge what the Fall (back-to-school) may look like we are gathering information. Our goal is to see how many families have concerns with sending their school age children to a traditional school setting in the Fall. Please answer the five (5) questions below, all answers are anonymous.

- I. How many children do you have that would be attending the Greenbush Middle River (GMR) School in the school year 2020-2021?
- 1
 - 2
 - 3
 - 4 or more
- II. Would you be comfortable physically sending your children to school at GMR in a traditional school setting?
- Yes
 - No

Comments (optional):

- III. If you answered No. Please check all concerns that apply.
- medical concern in the household
 - medical concern with school age child
 - uncertainty of future / Center of Disease Control (CDC) guidelines
 - Prefer online or distance learning setting

Comments (optional):

IV How would you rate your Greenbush Middle River School District's Distance Learning experience from March to May 2020

- Very Good
- Good
- Same as in-person learning
- Bad
- Very Bad
-

Comments about your GMR Distance Learning experience (optional):

V. Do you have access to internet service in your household?

- Yes
- No

Other Comments (optional):
