

Governing Board Agenda Item

Meeting Date: September 11, 2025

From: Kristin Reidy, Assistant Superintendent

Subject: Approve High School Course Name Changes

Priority: To provide rigorous, relevant, and innovative academics

Consent ☒ Action ☐ Discussion ☐

Background:

The purpose of this agenda item is to seek Governing Board approval for high school course name changes.

The current course names for several of our high school math courses do not align with the National Collegiate Athletic Association (NCAA) eligibility requirements. We need to update the names of these math courses to ensure alignment with current NCAA eligibility regulations.

Name Changes:

- Core Math 1 to **Core Algebra 1 Semester 1**
- Core Math 2 to **Core Algebra 1 Semester 2**
- Core Math 3 to **Core Geometry Semester 1**
- Core Math 4 to **Core Geometry Semester 2**
- Core Math 7 to **Core Algebra 2 Semester 1**
- Core Math 8 to **Core Algebra 2 Semester 2**

Recommended Motion:

I move that the Governing Board approve the course name changes as presented.

Approved for transmittal to the Governing Board:

Dr. Daniel Streeter, Superintendent
