	Tax Exempt	NTE
	No Tax	Lump Sum

Dear

Based upon my inspection, we recommend the following repairs be completed.

# PATCH AND REPAIR

## TERMS AND CONDITIONS:

Unless all Work hereunder is to be performed within thirty (30) days, WTI shall submit an invoice to the Customer at the end of each calendar month for the amount due for the portion of the Work completed during that month. If all Work is to be performed within thirty (30) days, no invoice shall be submitted until all Work has been completed. Customer shall pay WTI in full within thirty (30) days after receipt of each invoice.

This Proposal is an offer by WTI to provide the Scope of Work set forth above to the Customer on the terms and conditions set forth herein and in WTI's standard terms and conditions\*, which are hereby incorporated by reference (together, the "Terms and Conditions"). The Terms and Conditions will govern the Work to the exclusion of any other or different terms, including in any customer purchase order, unless otherwise expressly agreed in writing pursuant to a Master Agreement or similar contract with Customer signed by an authorized representative of WTI. Please confirm your acceptance either by return e-mail to the representative identified below or by having an authorized representative of Customer sign in the space provided below. Upon receipt of acceptance, WTI will process your order and promptly begin the Scope of Work. We appreciate your business and look forward to working with you at your facility

Sincerely,

Weatherproofing Technologies, Inc.

## **Acknowledgement Regarding Prevailing Wage Requirements:**

*Please check ONE of the below:*

The work described to be performed by Weatherproofing Technologies, Inc. ("WTI") at customer's facilities is not subject to federal, state or local prevailing wage requirements, other than the Fair Labor Standards Act's minimum wage provisions (29 U.S.C. § 206) and similar state minimum wage laws of general application.

The work to be performed by WTI at customer's facilities is subject to prevailing wage requirements, and the customer agrees to provide WTI with all applicable wage schedules for such work before a purchase order is generated for this work.

Customer further acknowledges that if customer is a public entity or agency, or the project is funded in whole or in part with federal funds, the price quoted by WTI for work performed on customer's facilities is based on the assumption that the work is covered by a prevailing wage law (applicable state or local prevailing wage law or the Davis Bacon Act). If the customer indicates above that this project is not subject to any federal, state or local prevailing wage requirements the quoted price may be reduced.

# COMPANY CAPABILITIES

## NEARLY A CENTURY OF SERVICE

Weatherproofing Technologies, Inc. (WTI), originally established in 1928, along with its affiliated company, Tremco, offers a comprehensive inventory of roofing assessment, leak prevention, building envelope, product sales, and general contracting (GC) services. WTI and Tremco, part of Tremco Construction Products Group has annual sales of over \$2 billion, owns and operates 11 manufacturing plants with over 2,000 employees worldwide. Our parent company, RPM International, a Fortune 500 company and a world leader in specialty coatings serves both industrial and consumer markets. RPM, founded in 1947, owns over two dozen operating companies manufacturing popular brand products such as Rust-Oleum®, Carboline®, DAP®, Dryvit®, and Zinsser®. RPM International maintains more than 11,000 employees worldwide, generating nearly \$7 billion in annual sales.

Tremco/WTI represents one of the largest organizations in the building envelope industry with 200+ field advisors, 650+ technical personnel, and more than 1,000 certified subcontractors. Domestically, these resources combine to provide industry leading products and services to customers throughout Canada and the United States. Tremco/WTI personnel are amongst the most highly trained and experienced in the nation.

## ISO 9001:2015 & 14001:2015 CERTIFIED

WTI, along with its affiliated company Tremco, is ISO 9001:2015 certified and was the first building envelope service company in the industry to attain this quality certification.

ISO certification helps to continually improve our systems and approach to building envelope concerns and is the standard to which we have committed for our customers. We constantly look to improve our management process within our strategic planning processes through the input of our leadership, employees, and customers.

*“Tremco CPG’s expansive sales force gives contractors, building owners, architects and engineers easy access to all the information and assistance they need, whatever their project’s objectives and challenges. Our technical specialists work together on the solution that provides the performance desired while meeting aesthetic and budget parameters,”*

**Paul Hoogenboom**  
President, Tremco CPG
