

Outfield will not be impacted in 2020

PHYBS may request a removable outfield fence in 2021

Muddy dugouts will be replaced with concrete

New premium clay mix dirt for infield

All New Sod (dirt baselines from home to 1st and home to 3rd will be removed similar to Lions)

Lions homeplate was converted to concrete turf due to water drainage issues. We plan to leave Lou homeplate as it currently exists today but with new premium clay mix dirt.

Fence posts will be straightened & repainted black. There will be brand new fenced links replaced along dugouts
