RE: Meal Prices for 2025-2026

Because of our participation in the new State Free Schools Meal Program each breakfast and lunch served to a student is free. If a student wants a second breakfast or lunch it will be charged the same price as an adult meal. The last state minimum for an adult lunch is now \$5.00 and \$2.40 for breakfast. The recommendation for meal prices for the 2025-2026 school year are with new prices as follows:

High School lunch	Free
Grades 3 -6 lunch	Free
Grades K-2 lunch	Free
Breakfast	Free
Adult breakfast	\$2.40 – (Unless MDE publishes a required minimum for 25-26)
Adult lunch	\$5.00 – (Unless MDE publishes a required minimum for 25-26)
