

# **SITE REPORT: TWO RIVERS**

**Presented by: Dr. Jessica Cabak, Principal  
January 12, 2026 School Board Meeting**

# WHO WE ARE

# OUR MISSION

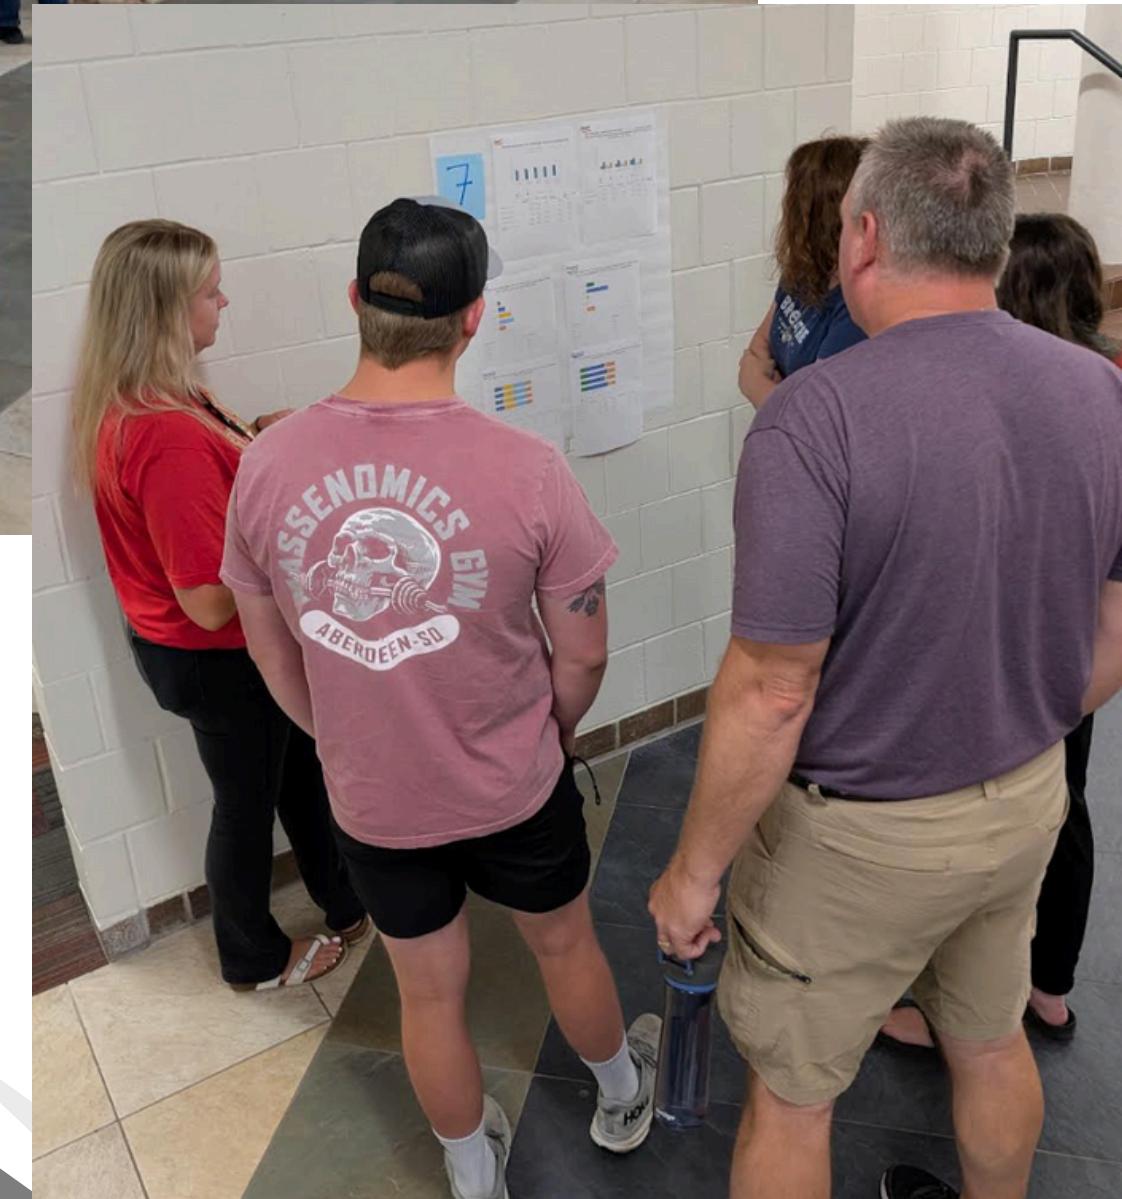

Two Rivers High School offers an outstanding academic program and a personalized learning environment in a school that's just the right size - big enough to offer a wide range of opportunities and small enough for meaningful relationships. Two Rivers' comprehensive, rigorous curriculum challenges students and prepares them for post-secondary colleges and careers.

# POINTS OF PRIDE

# #WARRIORSTRONG

# WORK-BASED LEARNING

- (video of WBL students talking about their experience in the program)

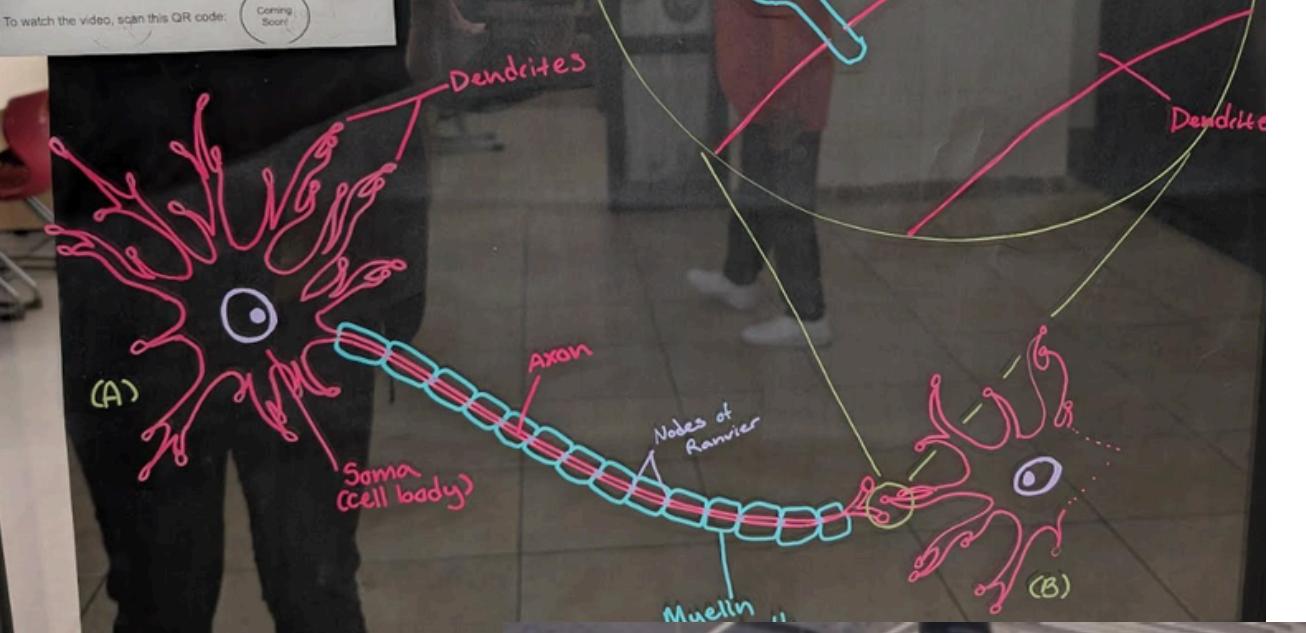

## IS PSYCH NEURON DRAWING SPOT #9

Drawing includes:
