Title: Administrative Recommendation for Strategic Plan Revisions

Type: Discussion

Presenter(s): Dr. Stacie Stanley, Superintendent

Description: The Edina Public Schools strategic plan was approved by the school board in June 2020.

- The strategic plan is reviewed yearly by a group of 40+ community stakeholders including students, parents, business partners, teachers, school, program and district administrators, and school board members. The review is facilitated by an outside agency. During the 2022-2023 school year, the strategic plan was reviewed in March 2023. The review team met for a day and a half to receive reports that highlighted elements of work directly related to each Strategic Plan Priority. The review team also received an executive summary of additional training, activities and programming related to each Strategic Priority. The team provided their feedback using the (Strengths – Opportunities-Aspirations-Results (SOAR) analysis model.
- A comprehensive analysis report of the stakeholder feedback and recommendations was presented to the school board in June 2023.
- In addition, during its July 2023 school board retreat, board members collectively analyzed the strategic plan and provided its feedback to administration for review.
- Based on community stakeholder feedback and the school board review, the administration is making a recommendation for revisions.

Recommendation: Review and accept recommendations for strategic plan revisions.

Desired Outcomes from the Board: School Board members will review documents and recommendations thoroughly and come to the board meeting with prepared questions to guide discussion.
