BACKGROUND INFORMATION

Districts can request a waiver to limit the number of foreign exchange students. This waiver allows the districts or charter schools to limit the number of foreign exchange students to a number that is 5 or more per high school under Texas Education Code §25.001 (e). A request to limit the number to less than five per high school must be submitted as a general waiver application. This current waiver will apply to the 2025-2026 and 2026-2027 school years and will limit the number of foreign exchange students to 5 students at Argyle High School.
