I feel well prepared for my next level of schooling through the curriculum, testing, and supplemental resources offered at CCS.

37 responses

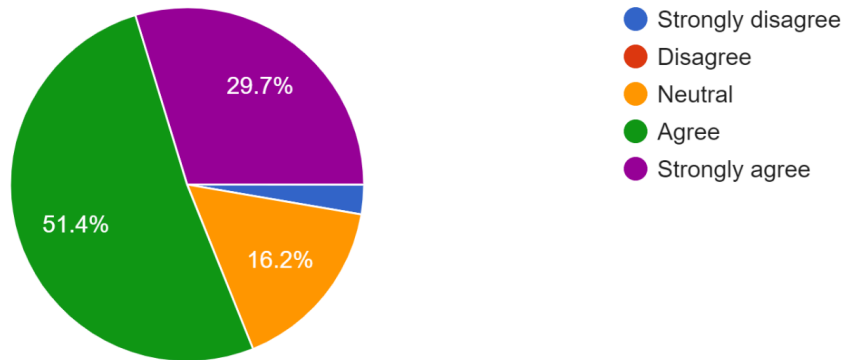

- Strongly disagree
- Disagree
- Neutral
- Agree
- Strongly agree

5.

I have access to the tools and resources needed to be successful as a student.

37 responses

6.

If no, what tools or resources do you need?

3 responses

None

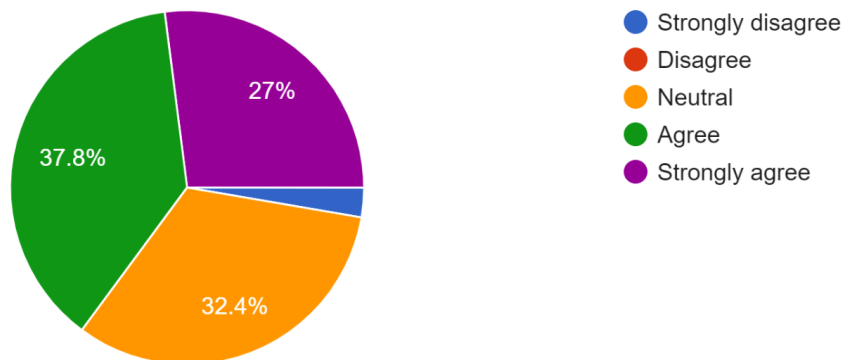

There is one app called Reflex and it helps you with the fluency of your basic multiplication and division facts.

none

7.

The students in the online program, or when visiting in-person at CCS, are respectful to each other.

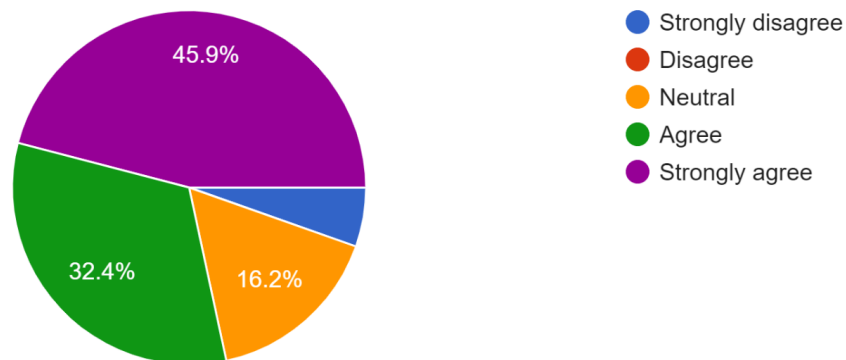

37 responses

8.

I'm happy to be a student at CCS.

37 responses

9.

What class or classes do you wish CCS could add to our online curriculum?

27 responses

None

none

biology

I wish that there was some sort of art class I miss the art show from my old school

Either an art class or in class baking or clothes design..?

personally i'd like more health classes

Art

i don't have anything in mind

Maybe a class for people to learn other languages if wanted.

.

a class that you talk to other ccs students

Hm im not quite sure, but i think having more diverse career choices to get into.

classes about pets

More health and psychological classes

more cooking classes

ASL but through Gallaudet University or a Deaf teacher. That'd be a great class.

I'm not sure if there are any classes I wish to add

Elementary Education

I dont know

medical

i don't know

I can't think of any classes I would like to have added to our online curriculum.

American Sign Language as a foreign language

None come to mind at the moment.

Some kind of mythology class

10.

New students only Why did you choose CCS?

22 responses

Cause I didn't like public school

Because i wanted more freedom

It is a lot better than staying at the school I'm from it my stress levels are 10x better now

New start

idk

Because I heard it was a good option

it was the best option for me

I didn't i am in a group home

I was very familiar with the program we use and I enjoy doing online school.

Because my other school didn't take bullying seriously.

I choose CCS because my inperson schools were just not working, and i origionally came into this school with a freind of mine.

not a new student

More flexibility and at your own pace learning

I had heard really good things about this program, and it worked out perfectly with my situation.

I didnt, my parents did

mental health reasons

Im chronically sick!

I heard great things about it.

I transferred from public school

To not sit in a school building for hours a day thn have 4-5 hours of homework every night

It allows me to have a flexible schedule that works when I have to pick up shifts at work during awkward times.

I wanted online schooling so I would stay on track

11.

The thing I like most about CCS is...

28 responses

the science curriculum

That It is self paced

The flexibility of it all

the learning coach

I get to be home and I can work at my own pace.

very little interaction with people

the help you receive

:|

How fast my teachers respond and just the overall program.

The classes and teachers.

can do it where ever and when ever

The wonderful teachers, and the friends i have made

there isn't a certain time you have to log in at

Great teachers. My learning coach.

Being able to do school work at my own time and own pace

my learning coach. Also, the ability to do work at any hour of the day from wherever I am.

That teachers respond quick to their email

The teachers are so helpful and there for you when you need them

How kind the teachers are

the teachers being so helpful

Teachers are supportive and encouraging

I like the support from the teachers.

the easy schooling apps

the flexibility

Flexibility to do the work when I feel I can best do it

The amount of support.

That I can do some at my own pace

Being able to do school online

12.

One thing I would like to change about CCS is...

28 responses

Nothing

nothing

nothing

nothing I can think of off the top of my head.

Add art show

new classes

not so many videos i watch like 50 a day

Nothing.

I would add a way for students to communicate with each other easier

Not having to do seminars or Mess E assignments if we already have enough electives.

shorter assignments

I think the one main thing that i struggled with is shedule, but that could just be a me thing that i struggled with in the beginning

I cant think of anything

Nothing.

The language classes. They are quite stressful and have more work that doesn't help us learn the language.

Also it would be nice to see my classmates more and have our cameras on.

I can do a little work one day and more the next day. If I'm working or have an event.

I not sure if there's anything i'd like to change

MESS-E Class

I can't think of something I would like to change about CCS.

More elective classes (like ASL) available; less edgenity videos-hate them

Currently nothing.

That assignments aren't locked

13.

How do you promote the mission of CCS : "Growing environmentally literate, community impacting learnings of excellence"?

22 responses

if we know more about how we can protect the environment we can preserve the world for many generations to learn.

I'm not sure

I'm not sure

idk

I am not fully sure what this means but I like that they have online schooling with in person activities.

..

i dont

Doing my school work and being the best student I can be.

I try to be a good citizen in the community.

its a good school

I think that it is very important to be aware of the environment around you and there are always ways to benefit your community!

I dont know what this saying means

I tell people why I chose CCS

Telling others about your program and learning

I shop sustainably, recycle when I remember, and hope to learn more about the environment in the future.

By telling others about it

I don't understand

I strive to do excellent work academically but I also take the time to be outdoors. And do things like gardening, so that I can connect with the outdoors and give back to it in little ways.

yes

the 3 r'r but the other 3 she said in our earth day seminar- repurpose, refuse and rally

I don't know

I don't

14.

How satisfied are you with Crosslake Community School's Education Program?

37 responses
