Budget Terms

FY24 = Fiscal Year 2024, which is the July 1-June 30 2023-2024 School Year

FY25 = Fiscal Year 2025, which is the July 1-June 30 2024-2025 School Year

BSA = Base Student Allocation, the amount of money the State of Alaska gives to School Districts for each student, based on a formula. Current statute amount for K-12 students is \$5,960 for enrolled students and 90% of the BSA (\$5,364) for Lake View Homeschool Students. PK students are grant funded.

Budget History

2017-2018 LPSD was faced with a budget shortfall of \$661,607 and projected to continue operating at a deficit for the foreseeable future.

The programs of greatest cost that were proposed for cutting were:

- Hot lunch program (\$460K for 12 schools)
- Preschool (\$500K for 12 schools)
- Activities (\$405K for 13 schools)

At the end of discussing financial issues and potential ways to cut the costs to operate within our funding a board member challenged us by saying,

“You are better than this. You are more creative than this. Go figure out another way forward.”

LPSD cut 20 instructional days from the school calendar, districtwide - the “Subsistence Calendar” was adopted and continues through today.

The State of Alaska not keeping up with inflation through the Base Student Allocation (BSA) which directly impacts our ability to maintain programs.

2023-2024 Revenue Expenses

Impact Aid closed 2023, 2022 and for the first time in 74 years paid the 2024 allocation early in the fiscal year creating a one-time increase in revenue received in one year.

For the 2025 application FFY Oct to Sept. Impact Aid is hoping to issue payments within the FFY it may not be as early as the 2024 FFY subject to congress approving the Federal budget.

2024-2025 BUDGET

FY24 + headed into FY25 School Year

LPSD continues to invest in taking steps towards reversing deficits and working towards establishing a fund balance in future years as we know this is a healthy way to operate our budget.

Steps we have already taken last school year and intend to take in the year ahead:

- Athletics & Activities Cost Saving Shifts
 - Only qualified XC runners traveled to Regional XC and we saved about \$34K (FY24)
 - No Middle School Students to travel to SNAP FY25 - \$25K
 - Two ASAA LPSD sponsored weekends cut - about \$70K depending on location of events
 - One basketball jamboree cut - \$50K
- No Non-Essential Travel + Per Diem
 - (Excluding BBRCTE) Travel FY23 \$880,171, FY24 \$679,704 reduction of \$200K
 - LPSD will no longer offer a housing per diem rate for those who do not stay in District funded housing.
- Raised Adult Lunches from \$5.00 to \$10.00
- Narrowed our cleaning and maintenance efforts during Summer 2023 & 2024 and saved \$30K (2023) May to June \$34K salary and \$12.5K benefits (2024) Maintenance salary July and August 2023 and 2024 nearly the same at \$97K

FY24 + headed into FY25 School Year (continued...)

- We have accessed the Lake and Peninsula Borough School Endowment funds to buffer our deficit (FY24). Currently the endowment holds about \$4.8M
- Lake and Peninsula Borough funding, referred to as “Local Contribution” cannot increase their contribution due to their own budget concerns mainly due to the price of salmon being so low this past year (FY24, Summer 2023)
 - Current Local Contribution: \$1,372,707 FY24 & FY25
 - Minimum Required Local Contribution: \$497,484; FY24 \$407,447
 - Maximum Local Contribution: \$2,534,834; FY24 \$2,565,372

Fiscal Outlook

- State funding for FY26 and beyond - statutory BSA \$5,960, FY24 state wide estimate needed increase \$1,400, FY25 one time amount \$680
- Elections - state and national potential to affect all funding sources
- Economic factors - inflation, economies of scale, global factors on insurance and markets
- Enrollment potential for increase or decrease

Summary & Considerations for future...

- District Mission & Vision - Strategic Planning Focus Areas
- Preserve Borough endowment fund
- Build back district reserve funds
- Negotiated agreements: Teachers (FY24-FY26), Admin (FY24-FY25, this is a bargaining year)
