DISCUSSION ITEM: Consideration of Approval for the District President to Execute a Contract for the Construction of Wind and Rain Abatement and Installation of 15 Welding Booths and Associated Infrastructure at the Technical Campus

DISCUSSION: The construction of the wind and rain abatement and the installation of 15 welding booths and associated infrastructure was approved at the April 2022 Board of Trustees meeting. In order to save costs in mobilization and ensure coordination, the College bid both efforts in one project.

Formal solicitations were issued and evaluated to determine the contractor. XXX responses were received and subsequently reviewed by the project management staff. The bid submitted by XXXX was the most responsive to the solicitation requirements and is recommended as the District's best value. The estimated cost for this project is \$XXXXXX, which includes a bid amount of \$XXXXXX and \$XXXXXX of owner's contingency. \$XXXXXX is budgeted and available in bond funds for the wind and rain abatement, and \$XXXXXX is budgeted and available in CARES funds for the installation of 15 welding booths and associated infrastructure.
