Subject: Resolution regarding TEA TSDS Ed-Fi Transition

Background Information:

- The Lewisville Independent School District has been an active participant in the parallel process for 1 year and has diligently worked to partner with the TEA throughout the process.
- The Texas Education Agency (“TEA”) transition to Ed-Fi raises significant concerns for public school districts, including Lewisville ISD.
- Ultimately, the District is concerned that the many errors received, many beyond districts control and stemming from issues within TEA and among vendors on the TEA-approved list, will prevent districts from submitting data thereby affecting districts funding due to inaccurate information and is deeply concerned with TEA’s current approach to the concerns.

Administrative Consideration:

- This resolution was previously discussed by the Board at the October 7, 2024 Work Session.

Recommendations:

- Administration proposes the Board approve the attached resolution regarding the TEA TSDS Ed-Fi transition.
