

Dear Waco Lake Waters
District 7 Board
Members,

I thank you very much for
the genius and thoughtful
settlement gfts. They mean
more than you know!

Even more, thank you for
giving me the opportunity to
serve the wonderful Waco Lake
community. I have always wanted
to work here, knowing the Board's
and Administration's commitment
to student's structural growth and
achievement.

I'm grateful for your trust
in my leadership, the opportunity
to be an integral part of many and
student lives, and all the wonderful
members I have accumulated!

I will miss you all!
I got severely,
~ Theresa Welch
