

Cedar Hill Independent School District

Meeting Date: April 6, 2020
Presented by: Dr. Gerald Hudson, Superintendent of Schools
Subject: Board Policy EIC(LOCAL)

Consent Item

BOARD GOAL:

Foster an environment of respect, cooperation, and open communication with parents and community partners.

BACKGROUND INFORMATION:

In an effort to ensure that students who graduate from CHISD meet the CHISD Profile of a Learner, the decision was made to review EIC (Local). A committee consisting of parents, counselors, school administrators, and teachers from each secondary campus met to discuss the policy. The committee met twice. During the first meeting, the committee determined that the current policy does not ensure that CHISD graduates students who are well-rounded and indicative of the students described by the CHISD Profile of a Learner. After an evaluation of EIC (Local) from other districts, the committee revised EIC (Local). The revised version was presented to the Policy Committee in a virtual meeting held on March 24, 2020. The enclosed version is inclusive of recommendations made by the committee.
