**BOARD AGENDA ITEM**

**ITEM NO: 5.3**

**BOARD MEETING DATE:** Tuesday, May 10, 2022

**DISCUSSION / REPORTS ITEM:** Bond Project Proposal

**SUBMITTED BY:** Mary Kamerzell, Superintendent

**PRESENTED BY:** Mary Kamerzell and Doug Huie, Director of Facilities and Transportation

---

Attached are the details of facility and transportation projects proposed to be underwritten by bonds if the Governing Board calls a 2022 election.

There are several projects noted in the column titled "SFOB" (School Facilities Oversight Board). Those projects are related to infrastructure (e.g., roofing, weatherization, HVAC, electrical, mechanical) and hopefully can be underwritten by the SFOB. We intend to move forward to apply for funding. Infrastructure items are a top priority. Without SFOB dollars, only a small portion of the bond project list can be funded.

Attached are also site maps for the preferred locations of three new construction projects - a strings (orchestra/guitar) program addition to Catalina Foothills High School, a 10-classroom addition to Manzanita Elementary School, and a 5-classroom addition to Orange Grove Middle School.
