

UPDATE 122

CQB (Local) Technology Resources: Cybersecurity

Security system breach notification requirements now include the term "or security incident".

CSA (Local) Facility Standards: Safety and Security

New local policy regarding audits of building access is added to comply with the commissioner's new safety rules for facilities.

DC(Local) Employment Practices

A cross reference to DBE (Legal) is added that allows a nepotism exception for bus drivers for all school districts.

EHB(Local) Curriculum Design: Special Programs

Statement is added that the district will comply with all rules and standards adopted by the SBOE regarding testing of students for dyslexia and related disorders.

EHBCA(Local) Compensatory Services: Accelerated Instruction

EHBC(Local) has been moved to EHBCA(Local). This policy requires districts to develop an accelerated instruction plan for students that are not performing well on state tests or are in danger of dropping out of school.

FEA(Local) Attendance: Compulsory Attendance

A student is allowed up to two excused absences for career investigation. (Jr./Sr.)

FFAC(Local) Wellness and Health Services: Medical Treatment

FFAC(Local) policy addresses campus requirements regarding maintenance, administration and disposal of opioid antagonists as required by SB 629.

FFB (Local) Student Welfare: Crisis Intervention

Each campus is required to establish a clear process for students to report concerning behavior by another student. Also, language is added that allows employees to keep their identities confidential when reporting a potential threat.

FL (Local) Student Records

Language referencing accelerated learning committees has been removed. FL(Local) now references the creation of an accelerated education plan for students that fail to perform successfully on state assessments.
