#### **4:110 Transportation**

The District shall provide free transportation for any student in the District who resides: (1) at a distance of one and one-half miles or more from his or her assigned school, unless the Board of Education has certified to the Ill. State Board of Education that adequate public transportation is available, or (2) if adequate public transportation is not available, within one and one-half miles from his or her assigned school where walking to or from school or to or from a pick-up point or bus stop would constitute a *serious safety hazard* due to either (a) vehicular traffic or rail crossing or (b) a *course or pattern of criminal activity*, as defined in the Ill. Streetgang Terrorism Omnibus Prevention Act, 740 ILCS 147/. The District may provide transportation for other students residing within one and one-half miles from their assigned school. A student's parent(s)/guardian(s) may file a petition with the Board requesting transportation due to the existence of a serious safety hazard. Free transportation service and vehicle adaptation is provided for a special education student if included in the student's individualized educational program. The District may provide transportation to and from school-sponsored activities. Non-public school students shall be transported in accordance with State law. Homeless students shall be transported in accordance with Section 45/1-15 of the Education for Homeless Children Act. Foster care students shall be transported in accordance with Section 6312(c)(5)(B) of the Elementary and Secondary Education Act.

If a student is at a location within the District, other than his or her residence, for child care purposes at the time for transportation to and/or from school, that location may be considered for purposes of determining the 1½ miles from the school attended. Unless the Superintendent or designee establishes new routes, pick-up and drop-off locations for students in day care must be along the District's regular routes. The District will not discriminate among types of locations where day care is provided, which may include the premises of licensed providers, relatives' homes, or neighbors' homes.

Bus schedules and routes shall be determined by the Superintendent or designee and shall be altered only with the Superintendent or designee's approval and direction. In setting the routes, the pick-up and discharge points should be as safe for students as possible.

No school employee may transport students in school or private vehicles unless authorized by the administration.

Every vehicle regularly used for the transportation of students must pass safety inspections in accordance with State law and Ill. Dept. of Transportation regulations. The strobe light on a school bus may be illuminated only when the bus is actually being used as a school bus and (1) is stopping or stopped for loading or discharging students on a highway outside an urban area, or (2) is bearing one or more students. The Superintendent shall implement procedures in accordance with State law for accepting comment calls about school bus driving.

All contracts for charter bus services must contain the clause prescribed by State law regarding criminal background checks for bus drivers.

#### Pre-Trip and Post-Trip Vehicle Inspection

The Superintendent or designee shall develop and implement a pre-trip and post-trip inspection procedure to ensure that the school bus driver: (1) tests the two-way radio or cellular radio telecommunication device and ensures that it is functioning properly before the bus is operated, and (2) walks to the rear of the bus before leaving the bus at the end of each route, work shift, or work day, to check the bus for children or other passengers in the bus.

### **OPERATIONAL SERVICES**

#### **4:140 Waiver of Student Fees**

The Superintendent will recommend to the Board of Education a schedule of fees, if any, to be charged students for the use of textbooks, consumable materials, extracurricular activities, and other school student fees. Students must also pay fines for the loss of or damage to school books or other school-owned materials.

Fees for textbooks, other instructional materials, and driver education, as well as fines for the loss or damage of school property are waived for students who meet the eligibility criteria for a waiver as described in this policy. In order that no student is denied educational services or academic credit due to the inability of parents/guardians to pay student fees and fines, the Superintendent will recommend to the Board which additional fees and fines, if any, the District will waive for students who meet the eligibility criteria for a waiver.

#### **Notification**

The Superintendent shall ensure that a notice of waiver applicability is provided to parents/guardians with every bill for fees and/or fines, and that applications for waivers are widely available and distributed according to State law and Ill. State Board of Education (ISBE) rule and that provisions for assisting parents/guardians in completing the application are available.

#### **Eligibility Criteria**

A student shall be eligible for a fee and fine waiver when:

1. The student currently lives in a household that meets the same income guidelines, with the same limits based on household size, that are used for the federal free meals program;
2. The student's parents/guardians are veterans or active-duty military personnel with income at or below 200% of the federal poverty line; or
3. The student is homeless, as defined in the McKinney-Vento Homeless Assistance Act (42 U.S.C. §11434a).

The Superintendent or designee will give additional consideration when one or more of the following factors are present:

- Illness in the family;
- Unusual expenses such as fire, flood, storm damage, etc.;
- Unemployment;
- Emergency situations;
- When one or more of the parents/guardians are involved in a work stoppage.

#### **Verification**

The Superintendent or designee shall establish a process for determining a student's eligibility for a

waiver of fees and fines in accordance with State law requirements.

If a student receiving a waiver is found to be no longer eligible during the school year, the Superintendent or designee shall notify the student's parent/guardian and charge the student a prorated amount based upon the number of school days remaining in the school year.

### Determination and Appeal

Within 30 calendar days after the receipt of a waiver request, the Superintendent or designee shall mail a notice to the parent/guardian whenever a waiver request is denied. The denial notice shall include: (1) the reason for the denial, (2) the process and timelines for making an appeal, and (3) a statement that the parent/guardian may reapply for a waiver any time during the school year if circumstances change. If the denial is appealed, the District shall follow the procedures for the resolution of appeals as provided in the ISBE rule on waiver of fees.

### The Waiver process is as follows:

1. Family applies for Fee Waiver. Application for Fee Waiver can be requested from the school or central office or on the District's website.
2. Family completes the fee waiver and submits the fee waiver with proper documents to verify income to the school or central office.
3. The principal Superintendent or designee determines eligibility and notifies the parents/guardians of the acceptance/denial within 30 days of the application.
4. Parents have 14 days from the date of notification of denial to contact the Superintendent for an appeal.
5. The Superintendent must respond to the request for an appeal within 14 days.
6. If the denial is upheld by the Superintendent, the parents/guardians can submit an appeal to the Board of Education. The appeal would be presented at the next regularly scheduled meeting.
7. The Board of Education decision is final. Parents would be informed of Board decision within 14 days.

Questions regarding the fee waiver request process should be addressed to the business office.

### Student Lunches

Charging school lunches is discouraged and limited to a maximum according to the following schedule:

#### 1. A la Carte and Second Meal Purchases

Student/family accounts that have reached a maximum charge limit of \$10 will not be allowed to purchase a la carte items or second meals unless the student has money at the point of sale to pay for such purchases.

#### 2. Regular Meal Purchases

Student/family accounts that have reached a maximum charge limit of \$50 may receive an alternate meal (sandwich and milk) for five (5) days and will be charged for that alternate meal at the normal price according to their lunch code category. If the account balance is not corrected after five (5) days, the student/family account will be suspended.

When a student/family account exceeds the maximum charge limits, the parent/guardian listed on the account will be notified and given the opportunity to correct the account.

Prior Board approval is needed for all renovations or permanent alterations to buildings or grounds when the total cost will exceed \$17,500, including the cost equivalent of staff time. This policy is not intended to discourage efforts to improve the appearance of buildings or grounds that are consistent with the designated use of those buildings and grounds.

Any request to name or rename an existing facility should be submitted to the Board. When a facility is to be named or renamed, the Board President will appoint a special committee to consider nominations and make a recommendation, along with supporting rationale, to the Board. The Board will make the final selection. The Superintendent or designee may name a room or designate some area on a school's property in honor of an individual or group that has performed outstanding service to the school without using the process in this policy.

#### **4:190 Targeted School Violence Prevention Program**

Threats and acts of targeted school violence harm the District's environment and school community, diminishing students' ability to learn and a school's ability to educate. Providing students and staff with access to a safe and secure District environment is an important Board goal. While it is not possible for the District to completely eliminate threats in its environment, a Targeted School Violence Prevention Program (Program) using the collective efforts of local school officials, staff, students, families, and the community helps the District reduce these risks to its environment.

The Superintendent or designee shall develop and implement the Program. The Program oversees the maintenance of a District environment that is conducive to learning and working by identifying, assessing, classifying, responding to, and managing threats and acts of targeted school violence. The Program shall be part of the District's Comprehensive Safety and Security Plan, required by Board policy 4:170, *Safety*, and shall:

1. Establish a District-level School Violence Prevention Team to: (a) develop a District-level Targeted School Violence Prevention Plan, and (b) oversee the District's Building-level Threat Assessment Team(s).
2. Establish Building-level Threat Assessment Team(s) to assess and intervene with individuals whose behavior may pose a threat to safety. This team may serve one or more schools.
3. Require all District staff, volunteers, and contractors to report any expressed threats or behaviors that may represent a threat to the community, school, or self.
4. Encourage parents/guardians and students to report any expressed threats or behaviors that may represent a threat to the community, school, or self.
5. Comply with State and federal law and align with Board policies.

The Local Governmental and Governmental Employees Tort Immunity Act protects the District from liability. The Program does not: (1) replace the care of a physician licensed to practice medicine in all of its branches or a licensed medical practitioner or professional trained in violence prevention, assessments and counseling services, (2) extend beyond available resources within the District, (3) extend beyond the school day and/or school-sponsored events, or (4) guarantee or ensure the safety of students, District staff, or visitors.

The District shall provide a workplace environment free of verbal, physical, or other conduct or communications constituting harassment on the basis of sex as defined and otherwise prohibited by State and federal law. The District provides annual sexual harassment prevention training in accordance with State law.

District employees shall not make unwelcome sexual advances or request sexual favors or engage in any unwelcome conduct of a sexual nature when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment. Sexual harassment prohibited by this policy includes verbal, or physical, or other conduct. The terms intimidating, hostile, or offensive include, but are not limited to, conduct that has the effect of humiliation, embarrassment, or discomfort. Sexual harassment will be evaluated in light of all the circumstances.

#### Making a Report or Complaint

Employees and *nonemployees* (persons who are not otherwise employees and are directly performing services for the District pursuant to a contract with the District, including contractors, and consultants) are encouraged to promptly report information regarding violations of this policy. Individuals may choose to report to a person of the individual's same gender. Every effort should be made to file such reports or complaints as soon as possible, while facts are known and potential witnesses are available.

Aggrieved individuals, if they feel comfortable doing so, should directly inform the person engaging in the harassing conduct or communication that such conduct or communication is offensive and must stop.

Whom to Contact with a Report or Complaint

An employee should report claims of harassment, including making a confidential report, to any of the following: his/her immediate supervisor, the Building Principal, an administrator, the Nondiscrimination Coordinator, Title IX Coordinator, and/or a Complaint Manager.

An employee may also report claims using Board policy 2:260, *Uniform Grievance Procedure*. If a claim is reported using Board policy 2:260, then the Complaint Manager shall process and review the claim according to that policy, in addition to any response required by this policy.

Investigation Process

Any District employee who receives a report or complaint of harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator, Title IX Coordinator, or a Complaint Manager. Any employee who fails to promptly forward a report or complaint may be disciplined, up to and including discharge.

Reports and complaints of harassment will be confidential to the greatest extent practicable, subject to the District’s duty to investigate and maintain a workplace environment that is productive, respectful, and free of unlawful discrimination, including harassment.

For any report or complaint alleging sexual harassment that, if true, would implicate Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 et seq.), the Title IX Coordinator or designee shall consider whether action under Board policy 2:265, *Title IX Grievance Procedure*, should be initiated.

For any report or complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall investigate under Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*.

For any other alleged workplace harassment that does not require action under Board policies 2:265, *Title IX Grievance Procedure*, or 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall consider whether an investigation under Board policy 2:260, *Uniform Grievance Procedure*, and/or 5:120, *Employee Ethics; Code of Professional Conduct; and Conflict of Interest*; should be initiated, regardless of whether a written report or complaint is filed.

#### Reports That Involve Alleged Incidents of Sexual Abuse of a Child by School Personnel

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A(b), that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

Any complaint alleging an incident of sexual abuse shall be processed and reviewed according to Board policy 5:90, *Abused and Neglected Child Reporting*. In addition to reporting the suspected abuse, the complaint shall also be processed under Board policy 2:265, *Title IX Grievance Procedure*, or Board policy 2:260, *Uniform Grievance Procedure*.

#### Enforcement

A violation of this policy by an employee may result in discipline, up to and including discharge. A violation of this policy by a third party will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent/guardian, invitee, etc. Any person making a knowingly false accusation regarding harassment will likewise be subject to disciplinary action, which for an employee may be up to and including discharge.

#### Retaliation Prohibited

An employee's employment, compensation, or work assignment shall not be adversely affected by complaining or providing information about harassment. Retaliation against employees for bringing complaints or providing information about harassment is prohibited (see Board policies 2:260, *Uniform Grievance Procedure*, 2:265, *Title IX Grievance Procedure*, and 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*), and depending upon the law governing the complaint, whistleblower protection may be available under the State Officials and Employees Ethics Act (5 ILCS 430/), the Whistleblower Act (740 ILCS 174/), and/or the Ill. Human Rights Act (775 ILCS 5/).

An employee should report allegations of retaliation to his/her immediate supervisor, the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

Employees who retaliate against others for reporting or complaining of violations of this policy or for participating in the reporting or complaint process will be subject to disciplinary action, up to and including discharge.

#### Recourse to State and Federal Fair Employment Practice Agencies

The District encourages all employees who have information regarding violations of this policy to report the information pursuant to this policy. The following government agencies are available to assist employees: the Ill. Dept. of Human Rights and the U. S. Equal Employment Opportunity Commission.

The Superintendent shall also use reasonable measures to inform staff members, applicants, and nonemployees of this policy, which shall include posting on the District website and/or making this

policy available in the District's administrative office, and including this policy in the appropriate handbooks.

### General Personnel

#### **5:120 Employee Ethics; Code of Professional Conduct; and Conflict of Interest**

All District employees are expected to maintain high standards in their job performance, demonstrate integrity and honesty, be considerate and cooperative, and maintain professional and appropriate relationships with students, parents/guardians, staff members, and others.

The Superintendent or designee shall provide this policy to all District employees and students and/or parents/guardians in their respective handbooks, and ensure its posting on the District's website, if any.

#### Professional and Appropriate Conduct

Professional and appropriate employee conduct are important Board goals that impact the quality of a safe learning environment and the school community, increasing students' ability to learn and the District's ability to educate. To protect students from sexual misconduct by employees, and employees from the appearance of impropriety, State law also recognizes the importance for District employees to constantly maintain professional and appropriate relationships with students by following established expectations and guidelines for employee-student boundaries. Many breaches of employee-student boundaries do not rise to the level of criminal behavior but do pose a potential risk to student safety and impact the quality of a safe learning environment. Repeated violations of employee-student boundaries may indicate the grooming of a student for sexual abuse. As bystanders, employees may know of concerning behaviors that no one else is aware of, so their training on: (1) preventing, recognizing, reporting, and responding to child sexual abuse and grooming behavior; (2) this policy; and (3) federal and state reporting requirements is essential to maintaining the Board's goal of professional and appropriate conduct.

The Superintendent or designee shall identify employee conduct standards that define appropriate employee-student boundaries, provide training about them, and monitor the District's employees for violations of employee-student boundaries. The employee conduct standards will require that, at a minimum:

1. Employees who are governed by the *Code of Ethics for Illinois Educators*, adopted by the Ill. State Board of Education (ISBE), will comply with its incorporation by reference into this policy.
2. Employees are trained on educator ethics, child abuse, grooming behaviors, and employee-student boundary violations as required by law and Board policies 2:265, *Title IX Grievance Procedure*; 4:165, *Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors*; 5:90, *Abused and Neglected Child Reporting*; and 5:100, *Staff Development Program*.
3. Employees maintain professional relationships with students, including maintaining employee-student boundaries based upon students' ages, grade levels, and developmental levels and following District-established guidelines for specific situations, including but not limited to:
  - a. Transporting a student;
  - b. Taking or possessing a photo or video of a student; and

- c. Meeting with a student or contacting a student outside the employee's professional role.
- 4. Employees report prohibited behaviors and/or boundary violations pursuant to Board policies 2:260, *Uniform Grievance Procedure*; 2:265, *Title IX Grievance Procedure*; and 5:90, *Abused and Neglected Child Reporting*.
- 5. Discipline up to and including dismissal will occur for any employee who violates an employee conduct standard or engages in any of the following:
  - a. Violates expectations and guidelines for employee-student boundaries.
  - b. Sexually harasses a student.
  - c. Willfully or negligently fails to follow reporting requirements of the Abused and Neglected Child Reporting Act (325 ILCS 5/), Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 *et seq.*), or the Elementary and Secondary Education Act (20 U.S.C. § 7926).
  - d. Engages in *grooming* as defined in 720 ILCS 5/11-25.
  - e. Engages in grooming behaviors. Prohibited grooming behaviors include, at a minimum, *sexual misconduct*. *Sexual misconduct* is any act, including but not limited to, any verbal, nonverbal, written, or electronic communication or physical activity, by an employee with direct contact with a student, that is directed toward or with a student to establish a romantic or sexual relationship with the student. Examples include, but are not limited to:
    - i. A sexual or romantic invitation.
    - ii. Dating or soliciting a date.
    - iii. Engaging in sexualized or romantic dialog.
    - iv. Making sexually suggestive comments that are directed toward or with a student.
    - v. Self-disclosure or physical exposure of a sexual, romantic, or erotic nature.
    - vi. A sexual, indecent, romantic, or erotic contact with the student.

### Statement of Economic Interests

The following employees must file a *Statement of Economic Interests* as required by the Ill. Governmental Ethics Act:

- 1. Superintendent;
- 2. Building Principal;
- 3. Head of any department;
- 4. Any employee who, as the District's agent, is responsible for negotiating one or more contracts, including collective bargaining agreement(s), in the amount of \$1,000 or greater;
- 5. Hearing officer;
- 6. Any employee having supervisory authority for 20 or more employees; and
- 7. Any employee in a position that requires an administrative or a chief school business official endorsement.

### Ethics and Gift Ban

Board policy 2:105, *Ethics and Gift Ban*, applies to all District employees. Students shall not be used in any manner for promoting a political candidate or issue.

### Prohibited Interests; Conflict of Interest; and Limitation of Authority

In accordance with 105 ILCS 5/22-5, "no school officer or teacher shall be interested in the sale,

proceeds, or profits of any book, apparatus, or furniture used or to be used in any school with which such officer or teacher may be connected,” except when the employee is the author or developer of instructional materials listed with ISBE and adopted for use by the Board. An employee having an interest in instructional materials must file an annual statement with the Board Secretary.

For the purpose of acquiring profit or personal gain, no employee shall act as an agent of the District nor shall an employee act as an agent of any business in any transaction with the District. This includes participation in the selection, award, or administration of a contract supported by a federal award or State award governed by the Grant Accountability and Transparency Act (GATA) (30 ILCS 708/) when the employee has a real or apparent conflict of interest. A conflict of interest arises when an employee or any of the following individuals has a financial or other interest in or a tangible benefit from the entity selected for the contract:

1. A member of the employee’s immediate family;
2. An employee’s partner; or
3. An entity that employs or is about to employ the employee or one of the individuals listed in one or two above.

Employees shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to agreements or subcontracts. Situations in which the interest is not substantial or the gift is an unsolicited item of nominal value must comply with State law and Board policy 2:105, *Ethics and Gift Ban*.

#### School Counselor Gift Ban

School counselors are prohibited from intentionally soliciting or accepting any gift from a *prohibited source* or any gift that would be in violation of any federal or State statute or rule. For school counselors, a *prohibited source* is any person who is (1) employed by an institution of higher education, or (2) an agent or spouse of or an immediate family member living with a person employed by an institution of higher education. This prohibition does not apply to:

1. Opportunities, benefits, and services available on the same conditions as for the general public.
2. Anything for which the school counselor pays market value.
3. A gift from a relative.
4. Anything provided by an individual on the basis of a personal friendship, unless the school counselor believes that it was provided due to the official position or employment of the school counselor and not due to the personal friendship. In determining whether a gift is provided on the basis of personal friendship, the school counselor must consider the circumstances in which the gift was offered, including any of the following:
  - a. The history of the relationship between the individual giving the gift and the school counselor, including any previous exchange of gifts between those individuals.
  - b. Whether, to the actual knowledge of the school counselor, the individual who gave the gift personally paid for the gift or sought a tax deduction or business reimbursement for the gift.
  - c. Whether, to the actual knowledge of the school counselor, the individual who gave the gift also, at the same time, gave the same or a similar gift to other school district employees.
5. Bequests, inheritances, or other transfers at death.
6. Any item(s) during any calendar year having a cumulative total value of less than \$100.
7. Promotional materials, including, but not limited to, pens, pencils, banners, posters, and pennants.

8. Travel, lodging, food, and beverage costs incurred by the school counselor and paid by an institution of higher education for attendance by the school counselor of an educational or military program at the institution of higher education.

A school counselor does not violate this prohibition if he or she promptly returns the gift to the prohibited source or donates the gift or an amount equal to its value to a 501(c)(3) tax-exempt charity.

### General Personnel

#### **5:185 Family and Medical Leave**

**Please refer to the applicable collective bargaining agreement.**

**For employees not covered by a current applicable bargaining agreement:**

##### Leave Description

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act, for up to a combined total of 12 weeks each year. The U.S. Department of Labor's rules (federal rules) implementing FMLA, as they may be amended from time to time, control FMLA leave.

An eligible employee may use FMLA leave, guaranteed by the federal Family Medical Leave Act, for up to a combined total of 12 weeks each year, measured forward from the date the employee's first FMLA leave begins.

During a single 12-month period, an eligible employee's FMLA leave entitlement may be extended to a total of 26 weeks of unpaid leave to care for a covered servicemember (defined in the federal rules) with a serious injury or illness. The "single 12-month period" is measured forward from the date the employee's first FMLA leave to care for the covered servicemember begins.

While FMLA leave is normally unpaid, the District will substitute an employee's accrued compensatory time-off and/or paid leave for unpaid FMLA leave, provided such leave is available for use in accordance with Board policies and rules. In addition, all policies and rules regarding the use of paid leave apply when paid leave is substituted for unpaid FMLA leave. Any substitution of paid leave for unpaid FMLA leave will count against the employee's FMLA leave entitlement. Use of FMLA leave shall not preclude the use of other applicable unpaid leave that will extend the employee's leave beyond 12 weeks, provided that the use of FMLA leave shall not serve to extend such other unpaid leave. Any full workweek period during which the employee would not have been required to work, including summer break, winter break and spring break, is not counted against the employee's FMLA leave entitlement.

FMLA leave is available in one or more of the following instances:

1. The birth and first-year care of a son or daughter.
2. The adoption or foster placement of a son or daughter, including absences from work that are necessary for the adoption or foster care to proceed and expiring at the end of the 12-month period beginning on the placement date.
3. The serious health condition of an employee's spouse, child, or parent.
4. The employee's own serious health condition that makes the employee unable to perform the functions of his or her job.
5. The existence of a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a military member on covered active duty or has been notified of an impending call or

order to active duty, as provided in federal rules.

6. To care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness, as provided by federal rules.

If spouses are employed by the District, they may together take only 12-weeks for FMLA leaves when the reason for the leave is 1 or 2, above, or to care for a parent with a serious health condition, or a combined total of 26 weeks for item 6 above.

An employee may be permitted to work on an intermittent or reduced-leave schedule in accordance with federal rules.

### Eligibility

To be eligible for FMLA leave, an employee must be employed at a worksite where at least 50 employees are employed within 75 miles. In addition, one of the following provisions must describe the employee:

1. The employee has been employed by the District for at least 12 months and has been employed for at least 1,000 hours of service during the 12-month period immediately before the beginning of the leave. The 12 months an employee must have been employed by the District need not be consecutive. However, the District will not consider any period of previous employment that occurred more than seven years before the date of the most recent hiring, except when the service break is due to fulfillment of a covered service obligation under the employee's Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. 4301, et seq., or when a written agreement exists concerning the District's intention to rehire the employee.
2. The employee is a full-time classroom teacher.

### Requesting Leave

If the need for the FMLA leave is foreseeable, an employee must provide the Superintendent or designee with at least 30 days' advance notice before the leave is to begin. If 30 days' advance notice is not practicable, the notice must be given as soon as practicable. The employee shall make a reasonable effort to schedule a planned medical treatment so as not to disrupt the District's operations, subject to the approval of the health care provider administering the treatment. The employee shall provide at least verbal notice sufficient to make the Superintendent or designee aware that he or she needs FMLA leave, and the anticipated timing and duration of the leave. Failure to give the required notice for a foreseeable leave may result in a delay in granting the requested leave until at least 30 days after the date the employee provides notice.

### Certification

Within 15 calendar days after the Superintendent or designee makes a request for certification for a FMLA leave, an employee must provide one of the following:

1. When the leave is to care for the employee's covered family member with a serious health condition, the employee must provide a complete and sufficient certificate signed by the family member's health care provider.
2. When the leave is due to the employee's own serious health condition, the employee must provide a complete and sufficient certificate signed by the employee's health care provider.
3. When the leave is to care for a covered servicemember with a serious illness or injury, the employee must provide a complete and sufficient certificate signed by an authorized health care provider for the covered servicemember.

4. When the leave is because of a qualified exigency, the employee must provide: (a) a copy of the covered military member's active duty orders or other documentation issued by the military indicating that the military member is on active duty or call to active duty status, and the dates of the covered military member's active duty service, and (b) a statement or description, signed by the employee, of appropriate facts regarding the qualifying exigency for which FMLA leave is requested.

The District may require an employee to obtain a second and third opinion at its expense when it has reason to doubt the validity of a medical certification.

The District may require recertification at reasonable intervals, but not more often than once every 30 days. Regardless of the length of time since the last request, the District may request recertification when the, (1) employee requests a leave extension, (2) circumstances described by the original certification change significantly, or (3) District receives information that casts doubt upon the continuing validity of the original certification. Recertification is at the employee's expense and must be provided to the District within 15 calendar days after the request. The District may request recertification every six months in connection with any absence by an employee needing an intermittent or reduced schedule leave for conditions with a duration in excess of six months.

Failure to furnish a complete and sufficient certification on forms provided by the District may result in a denial of the leave request.

#### Continuation of Health Benefits

During FMLA leave, employees are entitled to continuation of health benefits that would have been provided if they were working. Any share of health plan premiums being paid by the employee before taking the leave, must continue to be paid by the employee during the FMLA leave. A District's obligation to maintain health insurance coverage ceases if an employee's premium payment is more than 30 days late and the District notifies the employee at least 15 days before coverage will cease.

#### Changed Circumstances and Intent to Return

An employee must provide the Superintendent or designee reasonable notice of changed circumstances (i.e., within two business days if the changed circumstances are foreseeable) that will alter the duration of the FMLA leave. The Superintendent or designee, taking into consideration all of the relevant facts and circumstances related to an individual's leave situation, may ask an employee who has been on FMLA leave for eight consecutive weeks whether he or she intends to return to work.

#### Return to Work

If returning from FMLA leave occasioned by the employee's own serious health condition, the employee is required to obtain and present certification from the employee's health care provider that he or she is able to resume work.

An employee returning from FMLA leave will be given an equivalent position to his or her position before the leave, subject to: (1) permissible limitations the District may impose as provided in the FMLA or implementing regulations, and (2) the District's reassignment policies and practices.

Classroom teachers may be required to wait to return to work until the next semester in certain situations as provided by the FMLA regulations.

#### Implementation

The Superintendent or designee shall ensure that: (1) all required notices and responses to leave

requests are provided to employees in accordance with the FMLA; and (2) this policy is implemented in accordance with the FMLA. In the event of a conflict between the policy and the FMLA or its regulations, the latter shall control. The terms used in this policy shall be defined as in the FMLA regulations.

The Superintendent shall notify the appropriate Regional Office of Education (ROE) within five business days after the employment of a substitute teacher in an emergency situation. The Board may continue to employ the same substitute teacher in a vacant position for 90 calendar days or until the end of the semester, whichever is greater, if, prior to the end of the then current 30-calendar-day period, the District makes a written request to the ROE for a 30-calendar-day extension and the extension is granted by the ROE.

#### **6:135 Accelerated Placement Program**

The District provides an Accelerated Placement Program (APP). The APP advances the District's goal of providing educational programs with opportunities for each student to develop to his or her maximum potential. The APP provides an educational setting with curriculum options usually reserved for students who are older or in higher grades than the student participating in the APP. APP options include, but may not be limited to: (a) accelerating a student in a single subject; (b) other grade-level acceleration; and (c) early entrance to kindergarten or first grade. Participation in the APP is open to all students who demonstrate high ability and who may benefit from accelerated placement. It is not limited to students who have been identified as gifted and talented. Eligibility to participate in the District's APP shall not be conditioned upon the protected classifications identified in Board policy 7:10, *Equal Educational Opportunities*, or any factor other than the student's identification as an accelerated learner.

The Superintendent or designee shall implement an APP that includes:

1. Decision-making processes that are fair, equitable, and involve multiple individuals, e.g. District administrators, teachers, and school support personnel, and a student's parent(s)/guardian(s).
2. Processes that provide a student's parent(s)/guardian(s) with:
  - a. Written notification when their child is eligible for enrollment in accelerated courses; and
  - b. Notification of a decision affecting their child's participation in the APP.
3. Assessment processes that include multiple valid, reliable indicators.
4. The automatic enrollment, in the following school term, of a student into the next most rigorous level of advanced coursework offered by the high school if the student meets or exceeds State standards in English language arts, mathematics, or science on a State assessment administered under 105 ILCS 5/2-3.64a-5, as follows:
  - a. A student who meets or exceeds State standards in English language arts shall be automatically enrolled into the next most rigorous level of advanced coursework in English, social studies, humanities, or related subjects.
  - b. A student who meets or exceeds State standards in mathematics shall be automatically enrolled into the next most rigorous level of advanced coursework in mathematics.
  - c. A student who meets or exceeds State standards in science shall be automatically enrolled into the next most rigorous level of advanced coursework in science.
5. Waiver of a course completion requirement under Board policy 6:300, *Graduation Requirements*, if the District determines that the student has demonstrated mastery of or competency in the content of the course or unit of instruction.

The Superintendent or designee shall annually notify the community, parent(s)/guardian(s), students, and school personnel about the APP, the process for referring a student for possible evaluation for accelerated placement, and the methods used to determine whether a student is eligible for accelerated placement, including strategies to reach groups of students and families who have been historically underrepresented in accelerated placement programs and advanced coursework. Notification may: (a) include varied communication methods, such as student handbooks and District

or school websites; and (b) be provided in multiple languages, as appropriate.

#### **6:140 Education of Homeless Children**

Each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education as provided to other children and youths, including a public pre-school education. A *homeless child* is defined as provided in the McKinney Homeless Assistance Act and the Education for Homeless Children Act. #### **6:240 Field Trips and Recreational Class Trips**

Field trips are permissible when the experiences are a part of the school curriculum and/or contribute to the District's educational objectives.

All field trips must have the Superintendent or designee's prior approval, except that field trips beyond a 200-mile radius of the school or extending overnight must have the prior approval of the Board of Education. PRESSPlus 1. Updated in response to Mahmoud v. Taylor, 145 S.Ct. 2332 (2025), holding that classroom instruction will likely burden parents' free exercise rights if it requires their children to submit to instruction "that poses 'a very real threat of undermining' the religious beliefs and practices that the parents wish to instill." Unless otherwise required by law, it is unclear from Mahmoud whether a district would ever need to give advance notice to all parents/guardians of the use of certain curriculum or instructional materials that could trigger religious objections. Doing so could present discrimination concerns. Given the many unsettled legal issues in this area and the fact-dependent nature of the analysis involved, boards should consult with the board attorney regarding any curriculum objections. **Issue 120, October 2025**

##### Proficiency Credits

Subject to the limitations in this policy and State law, the Superintendent or designee is authorized to establish and approve a program for granting credit for proficiency with the goal of allowing a student who would not benefit from a course because the student is proficient in the subject area to receive credit without having to take the course. A student who demonstrates competency under this program will receive course credit for the applicable course and be excused from any requirement to take the course as a graduation prerequisite. No letter grade will be given for purposes of the student's cumulative grade point average. #### **7:130 Student Rights and Responsibilities**

All students are entitled to enjoy the rights protected by the U.S. and Illinois Constitutions and laws for persons of their age and maturity in a school setting. Students should exercise these rights reasonably and avoid violating the rights of others. Students who violate the rights of others or violate District policies or rules will be subject to disciplinary measures.

Students may, during the school day, during noninstructional time, voluntarily engage in individually or collectively initiated, non-disruptive prayer or religious-based meetings that, consistent with the Free Exercise and Establishment Clauses of the U.S. and Illinois Constitutions, are not sponsored, promoted, or endorsed in any manner by the school or any school employee. *Noninstructional time* means time set aside by a school before actual classroom instruction begins or after actual classroom instruction ends.

#### **7:140 Search and Seizure**

In order to maintain order and security in the schools, school authorities are authorized to conduct reasonable searches of school property and equipment, as well as of students and their personal effects. "School authorities" includes school liaison police officers.

#### **School Property and Equipment as well as Personal Effects Left On School Property by Students**

School authorities may inspect and search school property and equipment owned or controlled by the school (such as, lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there.

In addition, Building Principals shall require each high school student, in return for the privilege of parking on school property, to consent in writing to school searches of his or her vehicle, and personal effects therein, without notice and without suspicion of wrongdoing.

The Superintendent may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

#### **Students**

School authorities may search a student and/or the student's personal effects in the student's possession (such as, purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there is a reasonable ground for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the District's student conduct rules. The search itself must be conducted in a manner that is reasonably related to its objective and not excessively intrusive in light of the student's age and sex, and the nature of the infraction.

When feasible, the search should be conducted as follows:

1. Outside the view of others, including students,
2. In the presence of a school administrator or adult witness, and
3. By a licensed employee or liaison police officer of the same sex as the student.

Immediately following a search, a written report shall be made by the school authority who conducted the search, and given to the Superintendent.

#### **Seizure of Property**

If a search produces evidence that the student has violated or is violating either the law or the District's policies or rules, such evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, such evidence may be transferred to law enforcement authorities.

## Notification Regarding Student Accounts or Profiles on Social Networking Websites

The Superintendent or designee shall notify students and their parents/guardians of each of the following in accordance with the Right to Privacy in the School Setting Act, 105 ILCS 75/:

1. School officials may not request or require a student or his or her parent/guardian to provide a password or other related account information to gain access to the student's account or profile on a social networking website.
2. School officials may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on the student's account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, the student may be required to share the content that is reported in order to allow school officials to make a factual determination.
