Out Board Motors

Recommend to deny the one bid of \$800.00 as we feel this is way to low. We will post the items on ebay and craigslist.

FLIR Unit

Recommend that we accept the bid for the FLIR unit from The Boat House to be paid from the FY18 Stonegarden Grant.

New 3/4 Ton truck purchase

Recommend that we purchase a vehicle from Thunder Bay Jeep Chrysler Dodge for a price of \$42,047.00 for 2019 Dodge 3/4 ton diesel Big Horn addition. We have \$44,000 to use for the purchase of the vehicle and this vehicle provided the most options for the price. To be paid out of the FY18 Stone Garden Grant.
