

STEPHENVILLE INDEPENDENT SCHOOL DISTRICT
STEPHENVILLE, TEXAS
School Health Advisory Council
2022-2023

The Stephenville Independent School District School Health Advisory Council (SHAC) meets September through May. The council members are appointed to represent the six campuses. The School Health Advisory Council serves as an advisory board for the purpose of implementing and evaluating the effectiveness of Coordinated School Health Programs. A detailed account of SHAC activities and recommendations are presented to the Stephenville Independent School District Board of Trustees annually.

Meeting agendas are properly posted and sent to all members, as well as district campuses and departments. Minutes are taken at each meeting. They are disseminated to the public through postings on the District's web page, www.sville.us and sent to each department and campus to be posted.
