

Date: September 3, 2024

To: Salt Lake City School District Board of Education

From: Superintendent Liz Grant, with Executive Director Tiffany Hall and Direct Laura DeShazo

Subject: Request for New Positions

Summary: We are raising for Board discussion the district interest in creating two new positions to serve board and district aims—a District Literacy Coordinator in the Teaching and Learning department and a Community Development Administrator in the Career and Tech Center (CTC) at SLCC. We will prepare information for the Board to consider during the meeting.

Requested Board action: This is a discussion that will allow us to describe the background of the relevant programs and current needs for additional positions and to hear from board members. No immediate action is requested.
