

Cafeteria Monthly Report

January / February 2026

Hard to believe that February is here.

The cafeteria staff will be offering a special treat on the 14th to students in honor of the day of LOVE.

In the month of January which consisted of 16 school days we served 4,247 breakfast meals and 5,185 lunch meals. We sold 1072 cookies, 570 bags of chips and 604 ice creams in the month of January. We sell other items but these are definitely our top sellers.

February is the month that several Federal and State reports are due such as the intention for summer feed, final verifications reports, onsite breakfast and lunch evaluations and forecast surveys for projected food thru USDA for the 2026-2027 school year. We will also be working on CEP report and Financial report. This is how we start to get ready for the 26-27 school year.

Its crazy that we are already getting ready for the new school year.

Thank you,
