Re: High School Principal Report June 2019

We are in the middle of registration here at the High School. The registration process has been a smooth one so far. One comment by a veteran teacher of 20+ years was “This is the smoothest it has run in over 20 years here!” This is a testament to the work and planning that our secretaries and Mrs. Flaming have put into the organization of it. Hopefully this is a sign of the start of a great school year for us!

As a school we are continuing to implement our PBIS expectations as we continue to instill “The Homedale Way” in our staff and students alike. Respect, Responsible, Safe, and a Positive Attitude will be at the forefront of what we do here at HHS and we will continue to build on the positive culture that we have going on here. Staff will be reporting on Monday the 12th with student joining us on the 19th. We are looking forward to another great school year!
