 Title: Director of Curriculum

Subject: Branching Minds digital Platform 2021-2022

Description: The Director of Curriculum and Instruction is requesting the purchase of the Branching Minds Digital Platform to support the development and sustainability of MTSS (academics, SEL, and behavior) across the district. This purchase would include; the development of a BPS district-wide MTSS Handbook, digital integration of data from current student assessment platforms, professional development and coaching for schools regarding multi-tiered systems of support, as well as integration with the Special Services Department to seamlessly support the prereferral process for special education identification. In addition to the digital platform, the use of this digital tool would include a School Pilot Project during the 22-23; extended contracts for K-5 classroom and special education teachers at KWV, BES, and Napi Elementary Schools to work toward the use of the RTI process for special services identification.

Financial Impact: \$11,750.00 (K-5 Platform License for 1-year+ implementation fees) + extended contracts for KWV, BES, & Napi classroom & special education teachers during the 22-23 SY (these names will be brought forward in August for approval)

Funding Source (Budget/grant, etc.): **Title 1 Schoolwide 115.90.494.1700.610.231**
