Attorney Feedback: Eliminate the word “civil” as this signage is not trying to distinguish civil from criminal enforcement by ICE.

Option #2: Legal Approach

Attorney Feedback: This is more broad in scope than the D21 version, and does not give us any greater legal authority than the D21 version.

PRIVATE PROPERTY: CONTROLLED BY RTSD26. Entry or use of this site or other school premises by federal authorities conducting immigration operations are prohibited without a valid judicial warrant.
