

WBOE Ad Hoc Safety Committee

January 21, 2020

Charge: The Committee will make a report to the full Board regarding the staff and program resources necessary to address the changing and significant student behavioral needs at Beecher Road School.

Time Frame: The Committee will meet during the winter/spring and make a report to the full Board at their May 19, 2020 Meeting.

Membership: Superintendent, 2 BOE members, 2 administrators, 2 parents, 2 WEA and 2 CSEA representatives.

Background:

1. Changing student behavior needs at Beecher and in public schools across the state and country have accelerated district efforts to self-examine staffing, programs and methods to address significant behavioral needs.
2. The Woodbridge School District has recently taken steps to address this area including but not limited to: expanded Resource rooms, PMT training, professional development, and an added emphasis on positive school climate.
3. The Woodbridge School District wants to ensure that appropriate/adequate staff, training and program resources are available and in place to maximize safety of students and staff.
