

ARAMARK EDUCATION IN PARTNERSHIP WITH THREE RIVERS SCHOOL DISTRICT

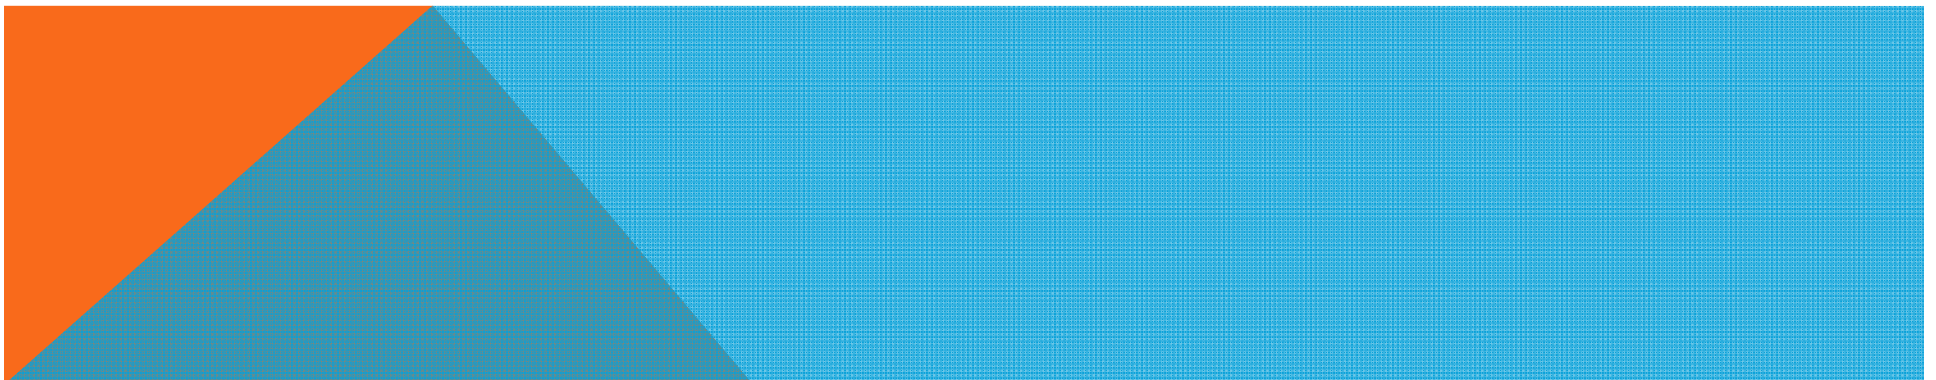

CUSTODIAL

The end of the school year is fast approaching. As our thoughts turn to winding down another school year and plans for summer vacation are being made our custodial staff are already looking towards next year.

Summer cleaning and project plans are being made up, revised and sometimes revised again all in preparation to ensure we are ready for the opening of school in September. Summer cleaning supplies have been requested and are already on their way. Classrooms will be cleared, walls and windows will be cleaned, desks and chairs will be cleaned from top to bottom and yes the gum that appears out of nowhere will be removed. Carpets will get a deep cleaning and hard floors will get a new shine.

These are just a few of the items that will be taken care of by our districts hard working custodial staff this summer.

Before that can all take place they will be setting up for graduations, moving on ceremonies and cleaning up after numerous end of the year parties. Please take the time to thank them for all their hard work and dedication.

CUSTODIAL TRAINING

Before we really get starting on our summer work we will be holding training. Training will be taking place at Illinois Valley H.S on June 14th. Our training will focus on the following:

- Hazard Communications. Focusing on the new United Nations Globally Harmonized System
- Integrated Pest Management Plan. What the role of the custodial staff is in the program
- Summer Safety and Weekly Safety brief program
- CarpetCare QL. The ARAMARK carpet cleaning program.
