

Learning Materials Approval

Board Access Instructions

Oct. 1, 2024

Instructional Materials:

“Instructional Materials” are the learning materials adopted by the board for use by educators in the teaching of District DESK Standards for specific grade levels and courses. This does not include material used in concurrent enrollment, advanced placement, or international baccalaureate programs or any other class with required material that is not subject to selection by the board. (4I-200 § 2.1).

1. None

Supplemental Materials:

“Supplemental Materials” means materials and resources used in addition to the instructional materials. (4I-200 § 3.1.) Please note that not all teachers will use these materials.

2. Digital Software Requests –

PLEASE NOTE: Technical and Data Privacy Requirements have been met. Additionally, prior to the Oct. 1 board meeting, all materials will go through open houses on Sept. 12th and 26th for the public to view and discuss. If concerns are brought up about any of the materials, those concerns will be shared with the school board.
