CISD Board Agenda Item Synopsis

Subject: Consider Approval of Maintenance Utility Trucks

Background Information: The maintenance vehicles the district currently has are in need of repairs and instead of having to keep pouring money into these vehicles, we are recommending these 2 vehicles be purchased. The current vehicles do not allow for tools to be locked up. These vehicles will allow us to organize our tools, therefore making the job more efficient saving time in the long run. The current maintenance vehicles are 2003, 2004, 2008, and 2014 models.

Goals:

- 1. We will provide and support a safe, civil and collaborative culture.
- 2. We will continuously provide and support effective teaching in every classroom.
- 3. We will provide and support a guaranteed and viable curriculum.
- 4. We will continue to foster a love of reading and commit to continual growth in childhood literacy.
- 5. We will foster strong numeracy skills and commit to continual growth in math success.
- 6. We will provide targeted strategies and practices to prepare students for post-secondary education, career readiness, and military participation.
- 7. We will attract, recruit, develop, and retain high-quality professional staff.

Budgetary Impact:

Will decrease our Fund Balance by an estimated \$86,500

Recommendation:

The District recommendation is for the Members of the Board to approve the purchase of 2 maintenance utility trucks
