

Foley Community Education June 22, 2026 School Board Meeting

Greetings from Community Education,

2026 Summer Community Education Programs

Summer is off to a fast and exciting start! Enrollment and participation in our summer programs are looking strong once again. While some may think summer is a slower season, it is truly one of our busiest times as students stay actively engaged in a wide variety of activities and opportunities.

Our summer programming is a true team effort, and I am grateful for everyone who helps make it a success. Thank you for all you do

- Our coaches and instructors for providing so many opportunities for our youth throughout the summer
- Paul and the Buildings and Grounds team for their hard work with facility maintenance, preparation, and setup
- Bob and Maggie in Transportation for coordinating and supporting the transportation needs of Falcon Kids Care

Falcon Kids Care- Summer

Falcon Kids Care is off to a fantastic start this summer! I am incredibly proud of Chloe Lindberg and the entire FKC team for creating a warm, welcoming, and supportive environment for students, families, and staff. They have planned an exciting summer filled with engaging activities, memorable field trips, and plenty of new adventures for our students to enjoy.

Family Game Night at the Foley Fun Days

Great job to our Early Childhood team (Preschool and ECFE) for leading the games at Fun Days Family Night! It was a wonderful evening filled with smiles, laughter, and lasting memories. It was especially heartwarming to see so many of our youngest learners excitedly recognizing their teachers and staff members. Moments like that are a powerful reminder of the meaningful connections you build and the positive impact you make.

Thank You

I would like to thank Mr. Eric Inglis for his many years of dedicated service to Foley Public Schools. It is very clear that he has made a positive impact on so many students, staff, and families, and his presence will be greatly missed. Wishing him all the best as he begins his next chapter, you will continue to accomplish great things in the years ahead.

Thank you,
Alyssa

The mission of Foley Community Education is to provide lifelong learning opportunities and experiences to community members of all ages.
