This cooperative was formed several years ago in order to increase the purchasing power of Coppell ISD and all other respective school districts who are a part of the Prospering Pals Cooperative.

CISD Recommendation: That the Coppell ISD Board of Trustees authorize CISD Administration to execute the renewal agreements for the first of the three one-year options, as well as, any subsequent renewals, not to exceed four years in the aggregate, as long as the suppliers continue to meet the needs of the District, our Students, and the Prospering Pals Cooperative.
