Toolkit guides teachers to confidently identify student present levels that are data driven by providing unique content and features including:

- Research-based framework that guides and supports teachers to consistently use best-practices in developing IEP present level statements including: editable starter narratives for each functional grade level, grade-level expectation for assessments, and prompting questions to tell the story of the student and to clearly articulate the impact of their disability.
- Downloadable assessments and screeners and data collection sheets for use in developing present levels data for IEPs.
- Exemplar IEP present levels content for grades Pre-K through 12th and student strengths and needs areas: academics (pre, core, and alt), social and emotional, behavior, communications, physical, functional/management, and vocational.
- Validated by ESSA aligned research.

Toolkit saves time in developing and monitoring standards-aligned IEP goals that address student's individual needs by providing unique content and features including:

- Research-based framework that guides and supports teachers to consistently use best-practices in developing IEP goals and objectives including thousands of exemplar IEP goals which contain the elements of representation, expression, and criteria with alignment to state specific standards and differentiated with scaffolding at up to 3 levels of supports.
- Learning goals in academic and non-academic areas including: core academics, behavior, SEL, pre-k, EL, autism, speech & language, alt & life skills, OT, success & management, deaf/hard of hearing, adapted PE, blind & visually impaired, birth to 3, and dyslexia.
- Search and filter content by: subject, grade (Birth-3 and Pre-K to 12), category / subdomain, standard, and key word.
- State specific standard unpacked to its core purpose (unpacked standard).
- Horizontally aligned standards and goals for foundational and precursory skills.
- Progress monitoring assessments and exemplars aligned specially to the goal.
- Validated by ESSA aligned research.

Toolkit helps teachers successfully implement IEPs with instant access to research-based instructional strategies and classroom-ready resources by providing unique content and features including:

- Curated list of targeted research-based strategies and ready-to-use resources to implement IEPs in reading, writing, speaking, math, behavior & SEL for use in-person and remote settings.
- Mini root causes analysis approach to identifying strategies.
- Coaching and implementation tips including how to use the strategies cross circularly and in multiple settings.
