Dear Browning Public Schools,

I, Cody Lucke, am formally giving notice that I will not be completing the 2023-2024 school year. This has been a very difficult decision to make, but a decision that is necessary for me and my family.

Due to the lack of teachers outside of my department, students are being placed in electives as place holders. I have students in my classes that are not interested in welding or shop. It has been very difficult for me to find meaning in my position in this situation.

Going to work without feeling a purpose is unfair to not only me, but also to the students in my classroom. I want nothing more than the best for the students at Browning High School, and I believe there is someone in the community that can fill this position and can spark student interest. I am so sorry that I will not be able to see their year through.

My final day available to work is September 29, 2023.
