DIRECTOR OF PURCHASING & WAREHOUSE OPERATIONS

The district issued a request for proposal for Career and Technical Education (CTE) Equipment, Supplies and Related Services RFP 25-004 – Extended Response and was originally awarded/approved on June 19, 2025. The purpose of this proposal is to identify and select qualified vendor(s) to provide career and technical supplies on an as-needed basis. Product and service categories can range from instructional supplies, materials, tools, equipment, and related items to support hands-on classroom instruction, labs, and student learning activities as needed districtwide.

Under the Extended Response Proposal process, additional vendors may be evaluated and awarded throughout the solicitation period on a rolling basis. The solicitation remains open year-round until the final renewal option expires. Responses are reviewed as they are received, and vendors are notified of the district's decision accordingly. Vendors approved during this period are listed below under "Supplemental Vendors Awarded Throughout the Year," and their awards are being formally reported as part of this renewal documentation.
