

# SCHOOL BOARD MEETING REPORT

**Board Meeting Date:** 16-Jun-15

**Agenda #** \_\_\_\_\_

**Staff/Administrator:** Stephanie Allen-Hart

**Superintendent:** Dave Holmes

**Type of Item:**  *Informational*  *Action*

**Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?**

With the changes in interdistrict transfer laws, it is essential that we set a cap for incoming transfers for the school year 2015-16. The board will need to determine the number of slots open for incoming, new transfers for next year. We will also need to address the individual buildings where grade levels or buildings are at capacity. Currently all of our Elementary Schools with the exception of Applegate and Williams are at or near capacity. It is my recommendation that we open up a total of 60 slots, 20 at each the elementary, middle and high school levels.

**Provide history/background information on your proposal.**

Last year we opened up 97 slots and filled 74. Given our class sizes and stabilizing enrollment,full day kindergarten, opening 60 slots seems appropriate.

**List the advantages of your proposal:**

This procedure follows the new interdistrict transfer laws and policies and allows us as much flexibility to meet student/building needs as possible.

**List possible disadvantages of your proposal:**

NONE

**List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?**
